PRESIDENT'S MESSAGE:

Our third Spring meet at Perkasio was a success with 20 Falcons and a 1959 Galaxie 500 attending. Our chapter began with the Perkasio meet in 1988.

A lot of work has gone into the planning of our meets for the rest of this year. Our thanks to Bruce Wolfe for his efforts in setting up the June 23rd meet in Memorial Lake State Park. Let's drive our Falcons out there to have a successful meet. As always, bring along any parts you may have for sale.

Be sure to preregister for our Macungie meet on Sunday, August 5th. Our other chapter meets may vary from year to year as to date and location, but we will always meet as a group at Macungie. This meet has been established as the annual election of officers.

Finally, mark your calendars for our regional meet September 14 & 15 in Toms River, NJ. Last year's regional was very well attended, and we would like to make this year's even bigger. The meet location was chosen to be central to the three sponsoring chapters.

Hope to see you at all our meets: June, August and September.

Ed Snyder, President

MEMBERSHIP YEAR:

The cutoff for the membership year has been established as the Macungie meet of each year. The Falcon Club of America requires that all members of local chapters also belong to the National. Applications are available from the President or the Editor and at our meets.

EDITOR'S MESSAGE:

The weather was again perfect for our Perkasio meet with 20 Falcons in attendance.

Additional details are included in this newsletter for the June 23rd meet at Memorial Lake State Park. We extend our thanks to ANSPACH AUTO, RD #1, Grantville, PA for donating the pavilion rental to our chapter. Try them (717) 469-2277 for your used parts needs. Let's make the effort to attend, and have a good showing of Falcons.

The Macungie meet has always been our biggest gathering of the year. Applications are automatically mailed to those attending the previous year. Since the show is by pre-registration only, be sure to return the application to the show chairman by the due date.

The classes for the Regional meet in September are printed in this newsletter, and an application is inclosed. Additional information concerning the regional will be furnished as it becomes available.

The next newsletter had been planned for August, which would be after the Macungie meet. If there is enough to print, I'll try to get a newsletter out in July. How about some ads, articles, etc.?
