PRESIDENT'S MESSAGE:

Our meet at Perkasio Park Covered Bridge was really nice. The weather was with us, and 17 **Falcons** were in attendance. After everyone arrived, we cruised to Parkway Drive-In in Haycock where the **Falcon** talk continued and we discussed future activities.

It was good to see everyone again and talk about the improvements that were made over the winter months. We missed some "regulars" at this meet and hope to see you next time. Remember that the meets are not just for "show" cars. Daily driver **Falcons** are welcome too!

Our next meet is at Memorial Lake State Park on June 15th. The chapter will supply hot dogs and sausages on the grill. Please bring a covered dish or dessert to share. Call Bruce or Pam Wolfe (717) 469-7252 to let them know you are coming.

Let's make this meet a good turnout. See ya there.

Ed Snyder, President

351 REVISED HYDRAULIC TAPPET VALVE CLEARANCE ADJUSTMENT PROCEDURE

(1962 - 1965 Cars and Trucks with
221, 240, 260, 289 and 300 CID
Engines)

Numerous reports of noisy valve tappets and/or rough engine operation, attributed to improper valve clearance adjustment, have been received from the field.

To minimize the possibility of tappet noise and/or valve burning, it is mandatory that the following hydraulic tappet adjustment procedure be applied to the subject engines:

"When the push rod to rocker arm clearance has been eliminated tighten the rocker arm stud an additional 3/4 turn". (The previous procedure was 1-1/2 additional turns).

The balance of the valve adjustment procedure remains the same as previously published in the respective shop manual.

This revised hydraulic tappet valve adjustment procedure applies to both production and service installed tappets.

MEMBERSHIP YEAR:

The cutoff for the membership year has been established as the Macungie meet of each year. The year of expiration of your membership is printed above your name on the mailing label on the envelope. If the year printed is 91, we would appreciate your renewal at the Macungie meet. Let's keep our chapter strong with 100% renewals.

The **Falcon Club of America** requires that all members of local chapters also belong to the National. Applications are available from the President or the Secretary and at our meets.

EDITOR'S MESSAGE:

Our Perkasio meet turned out to be a nice day with 17 **Falcons** in attendance.

Plan to attend our June 15th meet at Memorial Lake State Park. This will be a chapter picnic. We extend our thanks to ANSPACH AUTO, RD #1, Grantville, PA for donating the pavilion rental to our chapter. Try them (717) 469-2277 for your used parts needs. Thanks also to Bruce & Pam Wolfe for organizing the event. Let's make the effort to attend, and have a good showing of **Falcons**.

The Macungie meet has always been our biggest gathering of the year. Applications are automatically mailed to those attending the previous year. Since the show is by pre-registration only, be sure to return the application to the show chairman by the due date.

Todd Spencer is doing a fine job organizing the regional meet to be held in September. The format for this regional meet will be similar to the regionals held the past two years. The classes, dinner menu, and applications are printed in this newsletter. Note Stouffer's August 13th deadline for the special room rate. This location is adjacent to the Court & Plaza Mall in King of Prussia, which is the largest enclosed mall on the East coast.

Newsletters for the rest of the year are normally mailed in August and October. Last year we had an extra July newsletter. If there is enough to print, I will try to get a newsletter out in July. Getting these xeroxed is now quite a problem. How about some ads, articles, etc.?
