The Keystone Chapter of the Falcon Club of America held its first organizational meet Saturday at the Covered Bridge in Lake Lenape Park, Perkasio. The club is dedicated to preserving the

Ford Falcon manufactured from 1960-1970½. Twenty-two cars were displayed by the 32 club members. For information about the club, write to the president, Ed Snyder, 818 West Callowhill Street, Perkasio.

PRESIDENT'S MESSAGE:

First off, I would like to thank you for electing me your president of the Keystone chapter. Our chapter has a good group of officers to serve our club.

"WOW!" What a great start! At our first meet there were 22 Falcons on display. To plan for next year, we are asking for locations for meets between the months of May and September. If you have a good place to meet near you, let us know. Let's have next years calendar booked.

See you at Macungie, PA.

MISCELLANEOUS:

How many of you who saw the movie Good Morning Vietnam noticed the 1968 **Falcon 2** door sedan parked in front of the restaurant that was blown up by the Viet Cong? The interesting end of this is that the movie was supposed to take place in 1965. Oops! (Thanks, Marin)

Ride needed to the 1988 FCA Nationals. Will pay share of travel and room expenses. Contact Marin Ennis, Secretary.
