## PRESIDENT'S MESSAGE:

Macungie this year was even bigger and better. There were a total of 33 **Falcons** on display. Along with Keystone chapter members, there were Northeast and Mason-Dixon chapter members displaying their **Falcons**. We thank them for their participation which made this show so successful. At this meet, we signed up 8 new members, giving a total of 44 active members.

In conjunction with the South Jersey Mustang Club and Mason-Dixon chapter, we will be having our September meet and show at Rice and Holman Ford in Cherry Hill, New Jersey. More information follows in this newsletter. Let's all come out and drive our **Falcons** to Cherry Hill.

Planning ahead to next year, we would like to have a Keystone Chapter dinner in March of 1989. In September of 1989, we would like to have a regional meet weekend in the Poconos. We will need help from members in that area to coordinate such an event.

Please feel free to make suggestions as to possible meet locations and activities for our chapter.

Hope to see you at Cherry Hill.

Ed Snyder, President

**JUST A REMINDER:** The **Falcon Club of America** requires that all members of local chapters also belong to the National. The newsletter alone is worth the cost of membership. Applications are available from the President or the Editor.

## SECRETARY'S MESSAGE:

The Macungie car show on August 7 attracted 33 Falcons. The topics of discussion at the 1:00 p.m. meeting included future events planned for August and September. It was announced that Ed Snyder and Marin Ennis will appear on Berks Community Television's "Spare Parts" program on September 1 to promote the club and chapter. The meeting was adjourned at 1:45 p.m. after the 50/50 drawing.

Several Keystone Chapter members attended the FCA National Convention in Atlanta along with their cars. I was able to attend the business meeting and the following items of interest took place. First the elections were held and the only changes were new people serving as Vice President (Jim Hatcher) and a two-year board member (Rick Dilks). Second was a proposal that separate classes be organized for FCA National meets for the competition. This arrangement called for stock and modified Falcons to be placed in separate categories based on a criteria of modifications made to the car. However, after a lengthy discussion a motion was made to vote on this proposal by the membership and it was voted down by the general membership in attendance. And third, a proposal was suggested by one of the host Southeast chapter members that a Senior class be established at future National meets.

The meeting was adjourned by President Roy Sword at 3:30 p.m.

Marin Ennis, Secretary
