PRESIDENT'S MESSAGE:

Our first meet of the season was one to have waited for. The weather was great. There were Falcons parked all over.

After meeting at the covered bridge, we caravanned to the Menlo Park picnic area, where we held our club meeting and ate our picnic lunch. It was good to see and talk with all in attendance.

Special thanks to Linda Wisser for making posters for our 5th year anniversary, 5 year member anniversary buttons, 5th year anniversary magnets and a very tasty cake.

See you at the Grantville meet, June 26th.

Ed Snyder, President

VICE-PRESIDENT'S MESSAGE:

We had a nice day for our Perkasie meet with 16 Falcons in attendance. I had a nice time talking with everyone about their Falcons and plans for going to the National. We had a little five year celebration for Ed Snyder, Marin Ennis and Frank Servas for five years as officers of the Keystone Chapter. We honored our original 30 members with five year badges with the Keystone Chapter Logo and their names. A special thanks to Linda Wisser for making the badges, club's history posters, and the five year celebration cake enjoyed by all. Don't forget the Palmerton, PA car show on June 20th, and our chapter picnic at Grantville, PA on June 26th. Hope to see you at the meets.

TREASURER'S REPORT:

As of 5/22/93, the chapter has lost 1 member (Bill Paetzell, whose death was announced last issue), giving a total of 111 paid members.

EDITOR'S MESSAGE:

What a surprise we had at our Perkasio meet, with a fifth anniversary celebration planned by Linda Wisser. Specific details were mentioned elsewhere in this newsletter. For those not at the Perkasio meet, the posters giving the history of our chapter will be on display at Grantville. Let's make the next five years even better than the first five.

Future activities are given under Keystone Chapter News. Remember that early pre-registration helps the committee in planning for the Regional.

**ALVERNIA AND THE READING COMMUNITY
GRIEVE THE LOSS OF PROFESSOR ED MELEFSKY**

Assistant Professor of History Edward A. Melefsky, 69, died on Tuesday, March 9, leaving a void in both the campus community and in the Reading/Berks County area that will be impossible to fill.

As student reporter Lynn Adams wrote in *The Alvernian*, the official student newspaper of Alvernia College, professor Melefsky was "a true friend and a mentor to many students."

Melefsky had been a member of the Alvernia social sciences department since 1985, teaching many courses in political science and American history. He was formerly both dean of students and student government advisor.

A 1940 graduate of Reading High School, Melefsky earned a bachelor of science degree in history from Kutztown State Teachers College and a master's degree in education from Temple University.

Outside of the classroom, Melefsky was perhaps best known

for his love of antique automobiles (he owned five) and his monthly program, "Spare Parts," on Berks Community Television.

Melefsky had also published in *Automobile Quarterly*, and he was a former director of the Boyertown Museum of Historic Vehicles. □

Many thanks to John Carl of Alvernia College for sending this article about Ed Melefsky.

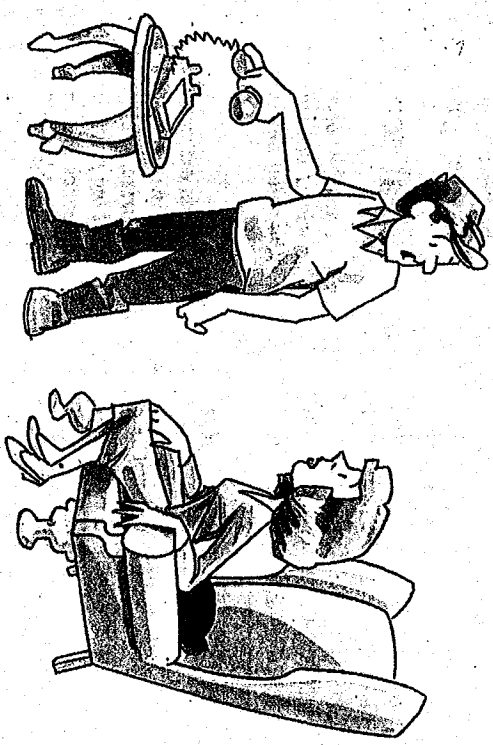

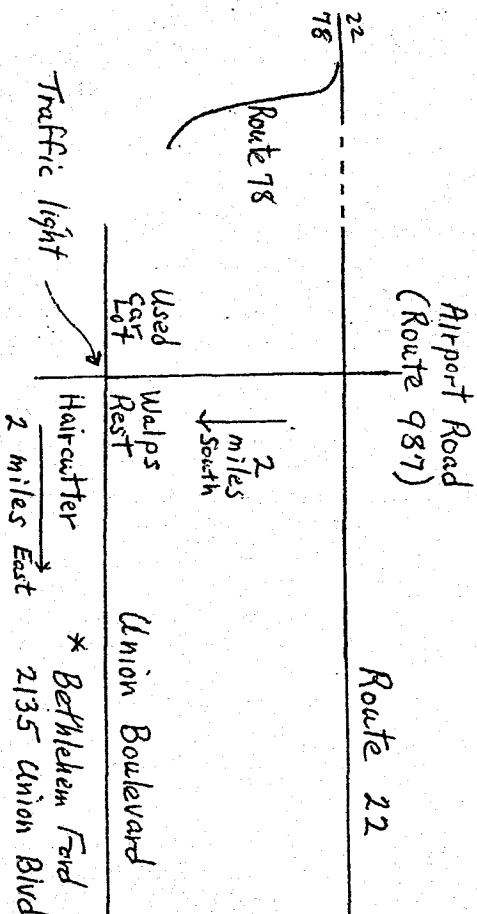

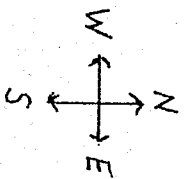

As mentioned in our April newsletter, Ed was a good friend to the Keystone Chapter attending our dinners and including our chapter many times on his show.
