

THE FIFTEENTH ANNUAL NATIONAL CONVENTION

of

The *Falcon* Club of America

July 21 - 23, 1994

Valley Forge, PA

Sponsored by the

DEDICATED TO PRESERVING

THE FALCON AUTOMOBILE

1960 - 1970 1/2

Thank you for your pre-registration for the Fifteenth Annual National Falcon Convention. An acknowledgement of your registration and any other items reserved is enclosed. Please notify Linda Wisser, 12 Magna Drive, Coplay PA 18037, or phone Linda at (610) 262-6555 if there are any errors.

The National planning committee has attempted to put together an event that will be enjoyed by all present. We started with a selection of car classes designed so that anticipated pre-registration would be sufficient so that no classes would have to be combined. It is our hope that classes will have to be split, and we plan to make a final determination at the end of May. The finalized class selections are to appear in the July National Falcon Bulletin. Be sure to read the messages that Ed Snyder has had in each National Falcon Bulletin since February for other information about the National Convention.

Each Falcon registered for the show will have a reserved parking place in the appropriate class for the duration of the show. So you can come and go without losing your parking location. We would like all show cars in place, however, during the voting Saturday morning. Ballots for the voting will be distributed at 10:00 a.m. on Saturday. Bring the ballot coupon found in your registration packet to the tent to pick up your ballots.

The finalized Schedule of Events will also be found in your registration packet. You will receive other items ordered in advance upon arrival. The schedule for photographs of the cars by the National photographer will be announced.

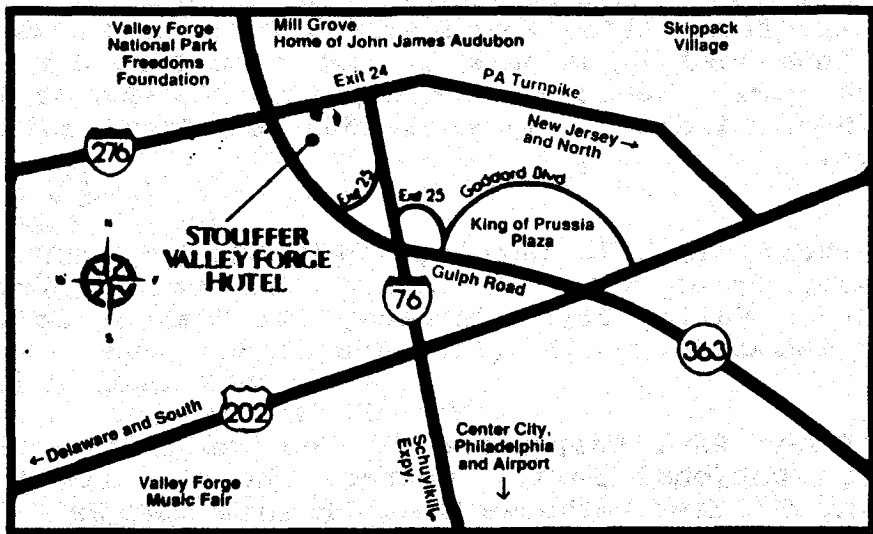

As this leaflet is prepared, the Stouffer is being renovated, and the name will be changed to the Park Ridge at Valley Forge. We will continue to refer to the hotel as the Stouffer, but watch for the new name upon arrival. You may also have noticed a change in area code for parts of Pennsylvania from 215 to 610. The old 215 area code can still be used for the rest of 1994.

We will be ready to process arrivals anytime after 9:00 a.m. Thursday, July 21. Free car wash facilities are available near the tennis court. The Stouffer hotel will supply towels. There is limited trailer parking at the Stouffer.

Be sure to visit the National FCA Club Store, set up adjacent to the hospitality room. Don't miss the carburetor clinic on Friday, and the games on Saturday.

During the show, please refer any questions or problems to the Keystone Chapter staff, who can be identified by their neon orange T-shirts.
