A Message from our Founder:

This is our 15th year as the **Falcon Club of America**. In 1979 it all began with just a handful of people. Fifteen years later, we all have the privilege of being a part of the continuation of that vision. Thanks go to each and every person who has supported this great club with their faithfulness and prayers throughout the years.

Roy E. Sword,
FCA Founder

A Message from our President:

The Keystone Chapter has just pulled off another very successful National meet for the **Falcon Club of America**.

I'd like to thank all those who helped and all those who participated in this fantastic annual event. If this was your first time to attend a National meet, you no doubt have met people who will be friends forever, the same as many of us have over the years. This has turned out to be like a family reunion that we look forward to each year. Unlike most car clubs, the FCA people come first and the **Falcons** come next.

I hope everyone had a great time. I know I did.

Jim Hatcher,
FCA President

A Welcome to All Falconeers

The Keystone Chapter of the Falcon Club of America would like to extend a warm welcome to everyone attending the 15th Annual National Convention here at Valley Forge.

Our chapter is honored to have been selected to be your host for this year's National Convention. It's hard to believe that over a year of planning has gone by so quickly, and it's already "show time".

A word about the classes. At our deadline for determining the number of trophies, we "finalized" the National Classes as submitted for inclusion in the July National Bulletin. Later, when the trophy lettering had to be submitted, some classes still had no pre-registered cars, so we had to make some additional changes to meet our goal of awarding as many trophies as possible. The classes on the show field are as listed in this leaflet.

We are pleased to have some nice raffle items and door prizes to award. Tickets will be available for the Raffle and 50/50 events at \$1 each or 6 for \$5. If you have questions or suggestions, please see any of the staff with the neon orange T-shirts.

Our officers, committee people and members are grateful to the many donors and T-shirt and trophy sponsors. We hope we have done everything possible to make this a successful and enjoyable event for you.

Have fun and enjoy!
