## PRESIDENT'S MESSAGE:

We had a break in the weather, and our meet in Perkasio, PA turned out to be a nice day. There were 14 **Falcons** in attendance.

A general meeting was held, and future meets for this year were discussed. The Macungie meet on August 6th is by pre-registration only. Chapter elections for officers will be held at that time. Our regional meet will be held at Livingston, New Jersey on September 8th and 9th.

Keystone chapter hats, T-shirts and jackets are now available. Details appear elsewhere in this newsletter.

Remember early registration for our regional meet. See ya at Macungie.

Ed Snyder, President

## SECRETARY'S MESSAGE:

The weather has gotten warmer and with it increased activity in our working on our **Falcons**. The application forms for Macungie '89 have been sent out and hopefully you've received yours. If not, contact Ed Snyder as we would like to match or exceed the excellent turnout at last year's show. And don't forget, the regional meet in Livingston, New Jersey is coming up a month after Macungie. Make sure you have made plans to attend the meet as this is perhaps the most important function our chapter has ever held. Keep those **Falcons** running!

Marin Ennis, Secretary

## IMPORTANT MESSAGE:

The Falcon Club of America requires that all members of local chapters also belong to the National. We are required to furnish the National secretary with a copy of our membership list so that National membership can be verified. A few of our members are not yet members of the National club. While the Keystone chapter greatly appreciates the support of each of our members, we regret that we will not be able to renew memberships for those who are not National members. Applications are available from the President or the Editor and at our meets.

## EDITOR'S MESSAGE:

We had a good meet at Perkasie June 10th. In addition to the Falcons at the meet, there was a nice 1969 white 4 door wagon at the little league ball game. The owner was invited to join our chapter.

Let's have a good turnout at Macungie. It is a nice show and flea market, and we will have our chapter elections.

Chris Scioscia is doing a great job organizing our regional meet. Let's cooperate by getting show and dinner applications to Chris as early as possible so that he can finalize planning for the meet.

An insert is provided with an application for the Sunday show at Macungie, and for the regional. Additional information for Macungie is available from Ed Snyder. Those who attended last year should have received a direct mailing from the Macungie show chairman.

Ads in the last newsletter have been reprinted. Drop me a note if you want them continued. Additional submissions for all newsletter categories are solicited.

Hope to see you at Macungie.

Frank Servas, Editor
