PRESIDENT'S MESSAGE:

I would like to thank everyone for re-electing me as Keystone Chapter President.

At our Macungie meet, there was a lot of interest shown in the Regional meet to be held in Livingston, NJ on September 8 & 9. This will be a great opportunity to meet new friends interested in the Ford **Falcon**, and possibly to find that part you have been looking for.

Macungie this year again was a great success. 38 **Falcons** were in attendance representing the Northeast, Mason-Dixon and Keystone chapters. There was a lot to see including crafts, antiques and acres of car parts.

Those I talked with enjoyed the meet and are looking forward to next years gathering.

See you at the regional.

Ed Snyder, President

SECRETARY'S MESSAGE:

Macungie '89 is now history, and what a success it was with 38 **Falcons** on display (up from 33 last year). Many thanks to those who braved the heat and brought their cars out for all to see. Bob Vaughn and I put together a brief tape of the show which will be shown when the Keystone chapter appears on BCTV's Spare Parts program in January. Elections were held at the show and all current officers were re-elected. We all appreciate your continued faith in us and we will continue to keep the chapter running smoothly in 1990.

Your chapter officers have been putting the finishing touches on the planning for the regional meet which I hope many of you have plans to attend. As I said before, this is the most important event your chapter has organized so far, and we need your support to make it go. Have a great Labor Day, and hope to see you in New Jersey next month.

Marin Ennis, Secretary

	31.02

Balance on hand (8/6/89) \$225.72

Virginia Servas, Treasurer

EDITOR'S MESSAGE:

The Macungie meet set a new record for **Falcons** assembled in one location in our region: 38 cars were shown. Let's continue this trend with the Regional meet in September.

Several visitors to Macungie submitted ads for our newsletter. Your submissions for the sections on technical help, cars and parts for sale are appreciated.

Chris Scioscia has done an outstanding job in organizing our regional meet. His report appears in this newsletter. There is still room at the show and the banquet. Contact Chris with show and dinner applications.

Arrivals for the show will be accepted starting on Friday at 2:00 p.m. and on. Cars to be judged must be in place by 12:00 noon on Saturday. Two judging forms will be provided with each show registration. Judging forms must be turned in by 3:00 p.m., at which time a general meeting will be held. The banquet will be held in the evening. Trophies for all classes will be presented at the banquet. The banquet is a good opportunity for members to get to know each other better.

Facilities will be provided for washing of cars. Security will also be provided for show cars during the evening hours on both Friday and Saturday. The rules of the FCA as well as those of the hotel prohibit the consumption of alcoholic beverages in the parking lot.

See you at Livingston.

• Frank Servas, Editor

REGIONAL MEET COMMITTEE REPORT:

As all of our members must know by now, the largest F.C.A. event ever held in our area is in Livingston, New Jersey September 8 & 9, 1989. This is the first ever Eastern Regional. It is sponsored by the Keystone and Northeast chapters of the F.C.A. Your committee has worked overtime to put on this show and we would like the largest turnout ever for an F.C.A. regional. There is still plenty of room for more cars, vendors, and seats at our banquet. There will be dash plaques for all cars, and trophies in all classes. The trophy judging will be done the same way as our F.C.A. National show. There will be no point judging. All judging will be done by people in attendance at the show. There will be ballots provided with each registration. We feel that this is the fairest way to find the winners.

We would also like to have what is commonly called the everyday driver type of car at our meet. This type of car is the backbone of our club. The everyday car will probably have more attendance than the so-called show car. We will have modified type classes, trophy for longest drive, ladies choice, etc. As you can see, this show is for everyone in our club. So come out and enjoy our cars, and our club members' company. Don't forget to sign up for the banquet. The cost is not outrageous, and we are sure you will enjoy it. If you know of someone with a **Falcon** who is not a club member, bring them along. The show is not limited to club members only. We just want to see plenty of **Falcons**.

Chris Scioscia
Regional Committee Chairman

IMPORTANT MESSAGE:

The **Falcon Club of America** requires that all members of local chapters also belong to the National. We are required to furnish the National secretary with a copy of our membership list so that National membership can be verified. A few of our members are not yet members of the National club. While the Keystone chapter greatly appreciates the support of each of our members, we regret that we will not be able to renew memberships for those who are not National members. Applications are available from the President or the Editor and at our meets.
