### President's Message

*I hope everyone had a good holiday season. Pam and I would like to wish everyone a happy and prosperous new year.*

*Our first meet of the year is at Meyers' Family Restaurant in Quakertown, PA. This is a great place to catch up on everything that's happening with your FALCON family. There are no cars to clean. There are no cars to check out—well maybe a few, but the focus will be on socializing.*

*Don't forget to get that registration form in for the Carlisle All FORD Show in June. You'll save a lot by using the Early Club Registration form found in this newsletter. Make sure you get the form in by the end of January to take advantage of the discount.*

*Take note of the address to send pictures of your car to Carlisle so it can be considered for the Indoor Display. Don't be bashful! Our club has a lot of respectable, good looking, better than new FALCONS. Besides that, you don't have to bake in the sun or put up with the natural car washes.*

*Our condolences go out from everyone in our club to Ed & Nancy Snyder on the passing of Nancy's brother, Mike. Our prayers and thoughts are with their family.*

*I hope to see everyone at the dinner in March where we will be finalizing the meet schedule for 1997.*

*Your President,*

*Bruce A Wolfe*

**Meet Schedule for 1997** will be available at the Annual  
Dinner. This year the Annual Dinner will be held on Saturday,  
March 22, 1997 at Meyers' Family Restaurant in Quakertown,  
PA. The schedule will also be printed in the April Newsletter.

**Our Deepest Sympathies** to Ed and Nancy Snyder with  
the passing of Nancy's brother, Augustus Mike Dalesio, Jr.

**CORRECTION:** Our October Newsletter Regional report  
wrongly stated Steve Springer's address as Kansas City,  
*Maryland*. It is actually Kansas City, Missouri.

**NEWSLETTERS** for this year will be published in January,  
April, June, July, August and *November* this year due to a  
wedding in October... **THE EDITOR IS GETTING  
MARRIED!!**

**Have you ever seen products with the brand name  
of "Falcon"?**

For example, there is a "Falcon" bowling ball and there  
are sneakers made that have the brand name of "Falcon"  
Send any other examples you can think of to the editor.  
**Also,** if you know of any TV show or movie that has  
shown a Ford Falcon on the screen, let the editor know  
in a letter.

Here are a few good examples I have received so far;

**"FALCON" Motor Oil:** It is described to be  
Dependable and Tenacious! It is guaranteed by  
the seller and sold on a money back guarantee.  
**"FALCON" Lights 100's:** A cigarette company.  
**The "FALCON":** The name of the Millersburg  
Ferry. In 1971 the ferry became a State  
Historical Landmark. It was in operation until  
1973, when it was replaced by the "Falcon III".  
**Movie:** "Summer School"

In this movie the main character drives a 1964  
or a 1965 Falcon Convertible. If seeing a  
wrecked Falcon makes you feel squeamish,  
Beware of the end of this movie!!

The editor's address can be found on the first page of  
this Newsletter, so....

**KEEP 'UM COMIN' !!**
