Presidents Message

If you missed the "All Ford Nationals at Carlisle" you missed
a great car weekend. The weather was great and the cars were
beautiful. Two Keystone members were honored by the
Celebrity Judges. Kevin Nace with his '64 Sprint hardtop and
Bob Vaughn with his "63 Station Wagon. There
were 57 Falcons on display. That wasn't enough to win any
"Club Participation Award". The Merkur club took 1st place
with 166 cars. The Cougar club was 2nd, the Fairlane club was
3rd and the Galixie Club was 4th with 72 cars.

Check out the Keystone Chapter events calendar and make
plans to attend some meets. We always have a great time at
Knoebels Grove Amusement Park. Some new meets for this
year are the Keller Brothers Ford meet in
Lititz, PA and the Wellboro, PA trip.

The Keystone Chapter is making a 2000 Falcon Calendar. If
you want one contact Roy Kolb or sign up at a meet. The
calendar will have only Keystone member's Falcons in it.

Check out Steve Springer's President's Message in the June
1997 FCA newsletter if you are driving your Falcon to the
Nationals in Charlotte, NC or the Regional meet in Hartford,
CT. Steve does a good job of making a list of items to take
along on your trip.

If you are going to the National meet in Charlotte and you
would like to be in the "Keystone Chapter Group Picture",
here's what you do. Be at my car (Blue 1968 4dr, Stock Class)
at 1:00 on Saturday. We will then decide where to take the
group picture. And what a group it will be. We
have a lot of Keystone member's attending the National meet
this year.

Hope to see you there.

From, Bruce Wolfe
bpwolfe2@juno.com

THE KEYSTONE CALENDER

The 2000 Keystone Calendar will be available at the Macungie meet. They are \$22.00 if picked up at a meet or \$25.00 with shipping added. This is an 8 1/2 x 11 color calendar with Falcon Club member's cars in it. We will be picking out the cars for the calendar at the Knoebels Grove meet. A GREAT CHRISTMAS GIFT !!!! Calendars will only be available for those members that pre-order. So call Roy Kolb or sign up at the next meet.

" MY CLASSIC CAR "

TNN Show on cable has the 1998 FCA National Convention in Colorado on the air. Bruce Wolfe said he had seen part of the show and he said it looked great. You can still catch it on Sept. 18 & 19th, and Dec. 18 & 19.

Editors Message

WOW ! It was a lot of fun at the ALL- FORD show in Carlisle . Friday night was " Drag Racing at South Mountain Dragway ". This is my favorite event of the weekend. Some of the cars that participate in the car show take their cars down to the dragway to push their luck in racing. It's great seeing all the old cars get a chance to do it again. 422 Motorsports always puts on an awesome show at the dragway. This year they had two 63 Thunderbolts, 1 AFX Falcon which had an over head camer motor and a 63 Galaxie. All the cars had the famuos 427 cu. In. motor in them. Just to hear the thunder from these old cars gives me goose bumps all over. Well, thats enough talking about racing.

Saturday they had a fantastic showing of show field participants. I don't think I have ever seen so many Merkurs in one place before and I had worked at a big Mercury dealer in the past. Voting was very tough because all the cars were excellent. Saturday they even had a kids show with their wagons and play cars. Rick and Lisa Adams son, Tyler participated in that event. On Saturday evening they closed the day with a cruise to a near by ice cream parlor. During the week-end in building Y there was a special guest named Bruce Larson. He was a famous drag car racer in the 60's with his 1963 Cobra. What a neat man he is.

Well, It looks like this year's National Falcon Convention is going to be the biggest. They already have over 200 Falcons registered. The banquet was sold out. But, they have just decided to extend their space to hold 388. It will fill up quickly. The Inn is jammed packed with Falcon enthusiasts. The schedule of the events is awesome and we even get a chance to drive on a race track. If you didn't register for this event it ba-hoovs-ya to do it quickly !. I can hardly wait to go !. Our next meet is at Knoebels Grove Amusement Park. I hope to see you there.

A Word from the President

This year we are not having a Regional meet. In it's time slot we are planning a cruise to Wellsboro, PA. This trip is not just about Wellsboro, PA. It's about "CRUISING" in your Falcon. 1967 FALCON

This is Andrew Browns 1967 Falcon 4-door sedan with just over 55,000 original miles. The car was bought new at Francis Ford and garaged kept all its life. Getting behind the wheel is like stepping back in time. While it's not a 1966 Mustang convertible like my dad had, it's close enough for me. I was fortunate that it didn't take much to get it on the road and does not need a whole lot to restore. I am a member of the Falcon Club of America. This car was in a local news paper near his house in Harrisburg called The Patriot News. This article section is for people that love your cars.

NATIONAL CONVENTION NEWS

The Dennis Carpenter's Cook-out

Dennis was checking up on his cook-out and the responses. He said since the club chose not to charge for the cook-out he wants tickets given out for the meal. Anyone registered to attend before July 12th deadline will eat free all others will have to pay the Carolina's Chapter \$7.00 for a ticket. This is Dennis's decision since he is the host. This will keep walk-ins from taking food from pre-registered guests. This is on Thursday Evening . The deadline for RSVP's is July 12th , to register call James Baxter at 704-735-5077, mail to 1192 Mirror Lake Road, Lincolnton, NC 28092 or Email to ncfalcon@ntie.com, any received after July 12th deadline will have to pay. The nation al Convention already has over 130 people registered for the cook-out.
