President's Message

I hope you all had a chance to get out to one of our Keystone or other chapter meets this year. I hope you also had a chance to participate in some of the local meets in your area. Our members and our Falcons are the best media out there to promote our club and the on going preservation of the FALCON. Make sure you keep some FCA and Keystone Chapter membership forms in all your cars.

Check out the partial Keystone 2001 meet schedule in this newsletter. A more detailed schedule of events will be in the 2001 Keystone newsletters. Speaking of the "Keystone 2001 Meet Schedule", WE NEED YOUR HELP!!!! Did you attend a meet or cruise this year that you think our Falcon Club members would like to attend? If you did, get the information to our Editor AEAP (As Early As Possible). Don't hesitate, do it right now. We will put it on our "Other Meets of Interest" list in the newsletter. We also need some people to lead some shop talks for next year. Do you have a subject to share with other members?

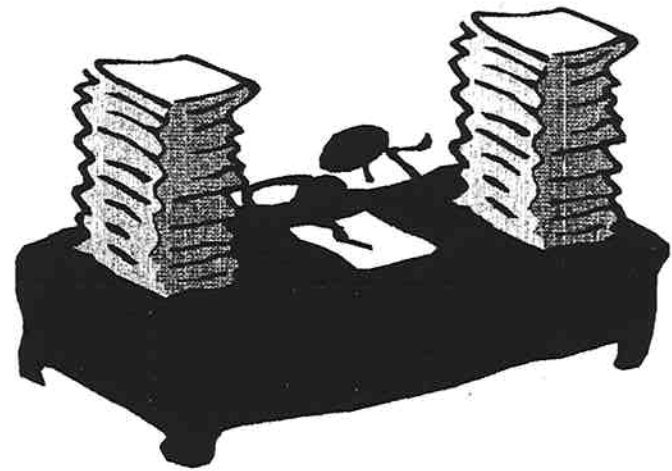

Thanks to Rick and Lisa Adams for volunteering to organize the annual dinner for next year. It will be held at the Midway Diner near Bethel, PA on Saturday, April 7th. Hope to see you there for some great food and fellowship.

Pam and I wish you a Bountiful Thanksgiving, a Merry Christmas and A Happy New Year.

Yer Prez, Bruce

Our thoughts and prayers go out to the family of one of our past Keystone Members. Fred Ball passed away on Saturday, October 28th. Those of you who were at the Keystone 2000 regional meet signed a card for him. Following is his wife's address, if you would like to send her a card.

Hi Everyone,

My name is Connie Snyder and I'm the new Editor of The Keystone Chapter Newsletter. I live in Akron, Lancaster County, PA. My husband Donald and I have 3 children, 3 Grand Children, no pets and 1 Falcon (68 sports Coupe).

This is my first attempt at a project like this and I hope you will be patient with me as I get the feel of things. A special thanks to my daughter for her assistance, also to my niece, Lora, for the use of her software and her guidance. I hope to have a new look for the Newsletter in 2001. Til then, this is it!

Please feel free to call (717) 859-1701, E-Mail (Snyder@desupernet.net) or send (26 S. 11th St., Akron, PA 17501) anything you would like to see in the newsletter.

You will be hearing from me in February, until then, Donald and I wish all of you, A SAFE AND HAPPY HOLIDAY SEASON!

THANK YOU

From the Keystone Chapter to EVERYONE who Sponsored classes, donated door prizes and just plain helped to make the Keystone 2000 Regional a success. Your support is greatly appreciated!!!!

Each Falcon received an oil filter from Dan Keller. A great lunch was provided by the chapter. Our chapter sold hot dogs, subs, and drinks to other Ford owners that showed their cars. There were over 25 other Fords on display.

We attempted to reproduce the 1965 Keller Brothers photo which showed three Falcons, one a new '65 with a window sticker, and several other old Fords in the background. Many people took pictures so look for them at a meet next year or in an upcoming newsletter.

The "Shop Talk Discussion" focused on '66-'70 Falcons.

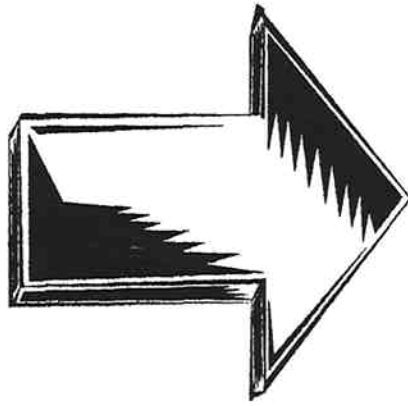

At this time we can tell you that the 2001 "Give Away" will be a 1989 Ford Thunderbird SC 35th Anniversary model with only 6,749 miles. An indoor display of vehicles demonstrating the Ford heritage from the early to late models will be featured at the Carlisle All-FORD Nationals Invitational. If you own or are aware of any vehicles which should be considered for the indoor display

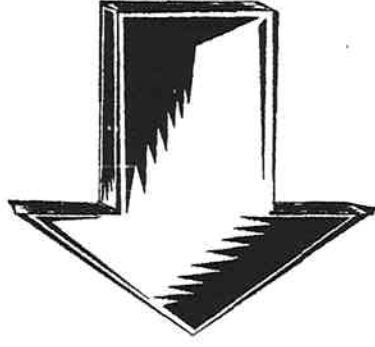

please submit a photo of the vehicle

along with a brief description of the car's features to: The Carlisle All-FORD Nationals Invitational, attention: Lisa Leathery. We like to make selections early, so please submit photos as soon as possible.
