### President's Message

Hi everyone,

I think our Falcons are getting close to creeping their way out of hibernation. It is almost Spring and I'm sure some of you have had the Falcon out for a spin or two. Pam and I drove our '62 Wagon (AKA Ratmobile) to church a few Sundays ago. Some of the people at church haven't seen "The Wagon" since it had it's major overhaul. (That should be major with a capital "M".) I got a lot of comments from "Awesome" to "Cute". And of course the standard one, "My (fill in the blank, father, uncle, sister, or grandfather) used to have one just like that".

The Keystone Officers had a meeting on February 3rd. Two of the topics were the 2001 Keystone Chapter Meet Schedule and the Keystone Chapter Bylaws. We need your help on these two topics. We need you to attend the Keystone Annual Spring Dinner where we will be voting on accepting these bylaws. We also need your help to fill up the Keystone Chapter Meet Schedule. I know I talked to several people in the chapter this

past year who told me of some great meets that they attended in 2000. Here's where we need your help. We need the information ASAP on these meets. We need to get these meets listed in our newsletter ASAP. Get the information to our editor ASAP.

Hope to see all of you at the Annual Spring Dinner on April 7th. Come early and socialize. Bring some pictures of your Falcon along to the dinner. Andy Brown is our new Club Photographer. He is trying to get an album together with a picture of every Keystone member with their Falcon.

If you have any extra pictures of you and your Falcon, bring them along to the dinner.

Yer Prez, Bruce

Also, a big welcome to Andy Brown as our new  
Photographer!

### Andy Says

Greetings Fellow Falconeers!

So, is everyone starting to get spring fever? I know I am. My name is Andy Brown and starting this year, I'll be the club photographer for the Keystone Chapter. I drive a dark moss green 1967 four-door sedan and reside in York Haven, PA.

I will be working on putting together a special photo album of members with their cars along with information about the owner and their falcon. Just look for me at most club functions and I'll be sure to have my camera handy. If you already have photos and would like to share them with other members, just forward them to me at a club function or mail them to me. My mailing address is on the inside of the front cover of the newsletter. If you are mailing please include as much information as possible, such as year and model of falcon, where and when the picture was taken, who is in the picture, who you are, where you are from and anything else that you think is of interest.

Also, if you have any extra prints, don't be a stranger and share them with your fellow Falcon Club members.

Hope to see you all real soon!
