President's Message

Hello Keystone Falcon Club Members,

My name is Don Snyder and I am your new Keystone Chapter President. My wife Connie and I live in Akron, Lancaster County. We have three children and three grandchildren. We own a 1968 Falcon Sports Coupe.

We have been to Tennessee, North Carolina, Connecticut and Maryland in addition to local shows and meets. I must say that looking at all the different Falcons is exciting but the best thing is meeting the people that accompany their cars. If you have never been to a show or a Falcon Club get together, this is the year to do it.

The Falcon season starts in April and there is something somewhere every month thru October. If you have someplace you would like the Falcon Club to meet, give me a call. We will flock almost anywhere. In April there is the Chapter Dinner, Carlisle All Ford Show in May, Tennessee Nationals in July, our own Regional and the Carolina Chapter Regional in Sept., to mention just a few. So dust off those Falcons and come on out. Bring a friend and get them hooked on Falcon Fever.

Connie and I look forward to seeing you soon.

Dues are \$10.00 annually. Memberships expire August 31. If paid before Aug. 31, there is a 20% discount. Dues are then \$8.00. The **Keystone News** will be published in March, May, July, September and November. All items for publication should be sent to the editor.

11th Keystone Regional Bethel, PA

Comfort Inn 1-800-898-7695

Enclosed in this newsletter is a registration form for the 11th Keystone Chapter Regional Meet. Before you send this form in, make sure you make a few copies to pass out to other Falcon owners. The 11th Regional meet will be held at the Comfort Inn at exit # 16 of I-78, near Bethel, PA (old exit # 5).

We need your registration forms ASAP. Get your form in early and take advantage of the discount rate before August 4th. Make sure you circle a category and all other details that pertain to your Falcon. The back of the form describes all the categories. All categories and classes remain the same as the 2000 Regional.

We want to emphasize the "Rough Driver" category. The Falcon Club has always welcomed "ALL FALCONS". It doesn't matter what shape your car is in, it is welcome at any FCA meet. We like seeing them all. This is emphasized by the lower rate for the Rough Driver cars. In the Rough Driver Category, everyone votes for their personal favorite, not always the best Falcon. You should vote for the Falcon that you would like to see improved at a future FCA meet.

If you can't bring your Falcon, come join us for this meet. For \$5.00 you get a "Goody Bag", a "Dash Plaque" and a voting ballot. You will vote on all the classes, "Best of Show Award" and the ladies also vote for the "Ladies Choice Award". If you would like to join us for the Awards Banquet, send your registration form in ASAP.

NOTE: There are only two things you need to work on your Falcon. WD-40 & Duct Tape. If it doesn't move and it should, use WD-40. If it moves and it shouldn't, use the tape.
