Shickshinny, PA 18655
(570)542-4059

President's Message

Hello everyone it appears that summer is here. I wish a speedy recovery to Ed and Nancy Snyder, when it rains it pours but just like our Falcons we occasionally need service and some replacement parts. Congratulations to Wes and Marsha Bischel on their new arrival, Sammy. I hope that we may all meet Sammy in the near future.

Keller Brother's Ford, our first get together following our club dinner, can anyone stop the rain? I wish to thank the members who braved the rain to attend. Dan Keller is such a nice person that he gave several cases of oil filters to the club even though we only had a hand full of Falcons. We decided to go back to Keller Brother's on July 13th. Hope to see all of you there.

Carlisle, what beautiful weather and beautiful cars. Thank you to all who attended. We counted approximately 49 Falcons. Our club was quite successful in awards. My wife and I along with Chet and Becky Wisneski had the pleasure to have lunch with Ned Jarrett of Nascar fame, Dyno Don Nicholson and Bruce Larson of Drag Racing fame also in attendance was Camilo Pardo the designer of the Ford GT40. Thank you Chip and Bill Miller for the great show.

A decision was made to have a Masters Class at our regional Show in September. It was determined that only Falcons that have been AACA winners and have current certificates will be allowed in the Masters Class. They will receive a plaque if pre-registered by August 4th.

We have decided that the only Falcon that will be restricted from competing for Best of Show will be the immediate previous Best of Show winner. This Falcon will be the "Featured Falcon". The 2002 Best Of Show Falcon will be the "Featured Falcon" at the 2004 Regional and will be able to compete again at the 2006 Regional Meet. The Falcon owners who work to make their cars Best of Show quality should be able to compete and that is why we have reviewed the past practice and changed the competition standard.

We are also considering a standard "Best Of Show Award". It is being worked on and we hope to have something for consideration in the near future.

Get your Keystone Regional application in early and don't forget to make overnight reservations.

Thank You, Your President, Don Snyder

Dues are \$10.00 annually. Memberships expire August 31. If paid before Aug. 31, there is a 20% discount. Dues are then \$8.00. The **Keystone News** will be published in March, May, July, September and November. All items for publication should be sent to the editor.

Keller Bros. Ford Report May 18th

6 Falcons showed up for the Keller Brothers Ford meet on Saturday May 18th. Listed below are the members that braved the rain and cold weather.

Andy Brown	1967 4 dr sdn
Jeff Weid	1967 4 dr sdn
Ira & Donna Kerns	1965 Convertible
Ted & Kathy Carman	1967 Sports Coupe
Richard & Paula Hostetter	1963 V8 Convertible
Wes & Marsha Bischel	1969 4 dr Wagon
Donald & Connie Snyder	
Bruce & Pam Wolfe	

Thank You James

A Hearty Keystone Thanks goes out to James Baxter of the Carolinas Chapter for his talent and time to design the art work on the 2002 Keystone Regional T-Shirt.

Thanks Again James - A.K.A. "Bubba"

WANTED : DESPERATLY NEEDED

Car show and Cruise Information

The Editor needs your help. Send information to the Keystone Editor ASAP about Car Shows and Cruises in your area.

The best information is a copy of the registration form, or send Time, Place, Date and a contact's phone number or e-mail.

11th Keystone Regional Bethel, PA

Comfort Inn 1-800-898-7695

The 11th Keystone Regional meet will be held at the Comfort Inn at exit # 16 of I-78, near Bethel, PA (old exit # 5).

We need your registration forms ASAP. Get your form in early and take advantage of the discount rate before August 4th. Make sure you circle a category and all other details that pertain to your Falcon. The back of the form describes all the categories. All categories and classes remain the same as the 2000 Regional.

We want to emphasize the "Rough Driver" category. The Falcon Club has always welcomed "ALL FALCONS". It doesn't matter what shape your car is in, it is welcome at any FCA meet. We like seeing them all. This is emphasized by the lower rate for the Rough Driver cars. In the Rough Driver Category, everyone votes for their personal favorite, not always the best Falcon. You should vote for the Falcon that you would like to see improved at a future FCA meet.

If you can't bring your Falcon, come join us for this meet. For \$5.00 you get a "Goody Bag", a "Dash Plaque" and a voting ballot. You will vote on all the classes, "Best of Show Award" and the ladies also vote for the "Ladies Choice Award". If you would like to join us for the Awards Banquet, send your registration

Keystone 2002 Regional Meet September 6th & 7th Bethel, PA

"We Need Your Help"

See Andy or Jeff to sign up to help with the following duties:

Door Prizes, Parking lot,
Advertising, Hospitality Room,
Club Store, Car Wash,
Guard Duty, Games,
Goody Bags

Give Jeff a call (215) 234-4260,
or drop Andy an e-mail, abrown67@juno.com

If you or someone you know would like to sponsor a trophy class at the Regional please notify Bob Vaughn at docfutura@aol.com or give him a call at 610-298-2959. Each class is \$50.00 (3 plaques).

**A "BIG THANKS" to LB Smith Ford
for being our Keystone 2002 T-Shirt Sponsor.**

The Keystone 2002 Regional

Bethel, PA September 6th & 7th, 2002

You are invited to the "KEYSTONE 2002". It is the Keystone Chapter's 11th Regional meet. We would like to save a space for you & your Falcon. No matter what your Falcon looks like, we have a category for you. If you can't bring your Falcon, come and join the fun. We would love to see some pictures of your car.

Join us Friday night at 6:00 for a cruise to the Kaufman Chicken Bar-B-Q restaurant and miniature golf course. Saturday will be filled with lots of "Falcon Fun". Registration is from 8:00 AM to 11:00AM. Voting on all the Falcons will be from 11AM to 1:00 PM. There will be plenty of "Car Games" going on throughout the day. We will have a meeting in the parking lot at 3:30 PM. Finish off the day at the "Awards Banquet" at 6:30 PM for an all you can eat family style meal at the Midway Diner. If you have a Falcon, you won't want to miss this grand party.

Below are the "KEYSTONE 2002" Falcon Categories. Choose one that best describes your Falcon. Choose the correct category. The voters will be the final judge if you put your Falcon in the wrong category. You know best where it belongs. Come and join the fun. Where else can you go and just talk about your favorite car?

PURE STOCK

The cars in this category should be as close to stock as possible. When you look at these cars there should be no obvious modifications that were not available from Ford. It should be 95 to 100 % stock. These cars should be the stock Ford colors and have stock interiors & engines. The owners in this category want to keep their cars as STOCK as "Henry Ford" would have liked them. The cars in this class should look like they would fit in the new car line-up at a Ford dealership back in the 60's.

LIGHT MODIFIED

The cars in this category are some what changed from stock by the owners. These cars are not changed enough to be in the Heavy Modified Category, but are not pure stock. They might have small changes that make them different from the original Falcons. Mag wheels, extra chrome in the engine compartment, a new modern stereo system, are some examples of a Light Modified car. At a glance, these cars look stock, but when you look closer, you will see the owner's minor changes to personalize this Falcon.

HEAVY MODIFIED

These Falcons have a changed look from the word GO !!! There is no mistake when you look at these cars that some major modifications took place in the development of these cars. They might have different paint schemes, major modifications to the engine compartment or interior. Some of these cars have modifications to make them fly faster than the stock birds.

ROUGH DRIVER

These cars could be in the very early stages of being restored. Just as the Category name states, these cars are "ROUGH". They could be a daily driver that needs a total restoration. When you look at these cars it is obvious that almost nothing has been done to restore them to original condition. This class is for the people that want to enter their car in the Regional meet but don't have the time or money right now to complete their car. Everyone likes seeing these cars at the meets. We can then watch them progress over the years and eventually move into the other categories.

All classes will be determined by pre-registration on August 4th.

Calling All Falcons

The Keystone Chapter of the Falcon Club of America invites all Falcons, and their owners.

WHERE:

Keller Brothers FORD

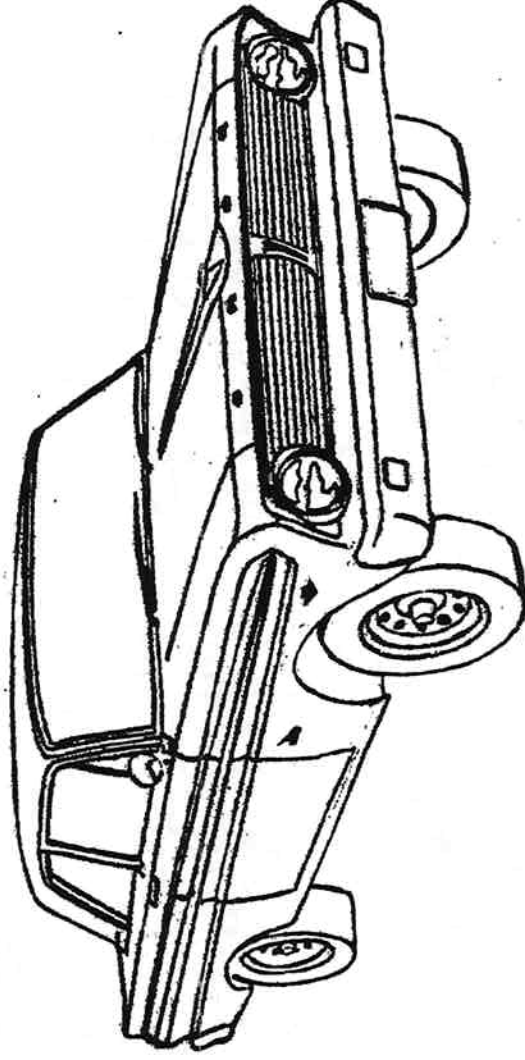

730 S. Broad St. (Rt 501) Lititz, PA 717-626-2000
