**Editor's Note**

We need your help with the "SHOP TALK" discussions. There are lots of you out there that can share your information about Falcons. The best thing about the shop talk discussions is all you have to do is get the guys started talking about their favorite car and then just sit back and listen.

We need your help ! ! ! ! Let us know about some meets you have attended so we can list them in the 2003 Keystone schedule.

Thanks, Pam & Bruce

**NOTE ..... Always look to the last page of every newsletter for the Keystone Meet Schedule.**

**New Keystone Chapter Web Site**

**NOTE:**

If you come to a meet **without your Falcon**, make sure you sign in. We want to list you as attending that meet. We also want to know who came along with you so we can also recognize them. The Keystone Chapter Secretary and Vice-President are in charge of recording the Falcons and members that attend meets.

# President's Message

Keystone Falcon Club Members:

Support the armed forces, display an American Flag on your Falcon.

I would like to extend best wishes for a speedy recovery on behalf of the Chapter to Ed Snyder.

Do people know you or your car? Here is a little story about just that fact. A club member who did not attend the spring banquet, we will call him Tom. He was having a discussion with his pal Ern who kind of attended. Hey Tom why didn't you go to the Keystone Chapter Spring Banquet? You said you were going. Well Ern, I heard it was in Ohio, Akron to be exact and that was too far to drive. Oh Tom, it was in Akron, PA near the Amish folk. I was there because I thought you were going and I wanted to sit with you. When you did not show I put on a white uniform and a wig and I waited on those fine folks from the Keystone Chapter. I was there all evening and those folks had a good time. Why they were talking to one another and telling car stories. A fellow had to tell em to get seated so we could serve the food. What did you do Tom? Well since I put all that money in my Falcon, I do not take it out of the garage. You know, it might rain. Me and the misses put on our Sunday clothes and went to the garage and sat in the Falcon. Of course we took off our shoes. When we were done sitting in the falcon we came back in the house and clipped our toe nails, it was a pretty exciting evening.

Tom, you missed a fine time with a group of nice people. Well Ern, who was there? Well Tom, you know that I am not good with names but I do know their cars. There was a young fellow with his wife and little boy. They gave him a little duck that quacked and he sure liked that. Ern who were these people? Tom the fellow has a 1969, 4 door green wagon. Oh Ern, that is Wes, Marsha and Sammy Bischell. Ern who else? Well, you know that young fellow from York? He really changed. He used to have blonde hair but they were brown at the banquet. Boy Ern I am sure I know that fellow. Yeah Tom, he drives that green 67, 4dr sedan with the American flags on the roof. Oh yeah Ern, that's Andy Brown he's a nice young fellow. Brown hair you say, hmmm.

Tom I think the one fellow was Matt Dillon they kept calling him Marshall. Ern I am sure Matt Dillon doesn't belong to the club but it's been awhile since I have been at any meets. Ern, what kind of car did he drive? Tom, I looked out when he and his wife arrived. He was the only member that drove a Falcon. It was a green 65 Ranchero it sounded pretty souped up. Oh Ern that's Marshall & Karen Hess he likes to have plenty of horse power. Tom, there was a fellow with his family I believe he used to be on television and in the movies. I just can't remember his name. Ern, what kind of cars does he have? Well Tom, he has quite a few as I recall, you know them Hollywood types they make pretty good living. He has a 63 Rose Beige HT, a 64 blue 2 door futura a white 62 and several others. Oh Ern, that's Bob Vaughn. Why did you think he was a Hollywood type? Well his name is Robert Vaughn and I know they do all kinds of stuff with make up in Hollywood.

A young fellow and his wife were at the banquet. He had some sort of an accident going to the Northeast National with his Falcon. You know who I mean Tom? Boy Ern, I kind of remember but if you tell me the Falcon he drives I can figure it out. Tom, he has a 65 Yellow Sprint Convertible. Oh Ern, that's Paul and Theresa Seitz. Yep Ern, that is a real nice Convertible. There was another fellow & his wife. His cars had names. The one was a mouse mobile and the other was named after a woman, I guess. Ern, what cars does he have? Well Tom, the one is a 62 Blue Wagon the other a 68 blue sedan. Oh Ern, that's Bruce and Pam Wolfe. Their station wagon is called the rat mobile, not mouse mobile and the 68 is Bonnie Blue. Bruce is the president of the chapter. Oh no Tom, he has not been the president for two years. Well Ern, when I last attended a function he was the president.

There were many more members and their families at the banquet and I'm sorry I couldn't include all of them in this story. Carl Henderson, the Mason Dixon President, was also there and gave a report on the upcoming regional meet in September.

Remember, even if you cannot bring your Falcon to a meet, come to a club function and meet my wife and I along with the other chapter members. Check the up coming events schedule. See you there. Thank you, Chapter President Don Snyder.

## Keystone Chapter Annual Spring Dinner Akron Restaurant, Akron, PA

The Keystone Chapter held its annual dinner at the Akron Restaurant, in Akron, PA. on 4/5/03. Thanks to Don & Connie Snyder for making the arrangements. Bruce Wolfe offered a nice blessing for the food, and a prayer for our country, the people of Iraq, our military, our leaders, and for all involved in the events of the world today. We all enjoyed a very nice evening, with great food, and plenty of it! It's always nice to go somewhere new, and the weather was somewhat cooperative.

We had a total of 36 present, with only one '64 Ranchero leaving the Roost to come out and play. That car belonging to Marshall and Karen Hess. The remainder of those present are as follows: ( again, by family name ): Bischel, Brown, Henderson, Hess, Kichline, Kratz & Kratz, Scioscia, Seitz, Sellare, Servas, D. Snyder, E. Snyder, Stewart, Vaughn, Wied, and Wolfe.

There was a surprise for all to take home, and a brief meeting followed the excellent cherry pie for desert.

A brief summary of the meeting is as follows: ( motions, and seconds are noted in parentheses where a vote was taken. )

1. Treasurer' Report: \$ 2650.28 as of Feb.9th. With deposits and payments, balance this evening ( without paying for the dinner ) was \$ 2930.82 (Vaughn/Gerrie Scioscia)
2. Carl Henderson reviewed the upcoming Regional, (Sponsored by Mason-Dixon Chapter) to be held Sept 12/13 at the same hotel as previous. The banquet will be replaced with a Bar-B-Q, and the event is to be more informal and relaxing.
3. 15th Anniversary: Ed Snyder reviewed the events for May 17 in Perkasio. ( aka: " the Birthplace of the Keystone Chapter"). A nice day is planned, and feel free to bring any "memories" along!

4. 2004 Regional and possible 2006 National: Bruce Wolfe reviewed info on the Harrisburg/Hershey Marriott and brochures were available. The Hotel has good experience with doing car shows, and has the facilities we need. If we plan to do the 2006 National, we need to make our presentation in 2004 at Kansas City. We are looking at options with other "Ford Organizations", to possibly increase the size of the Regional, to get better rates, and a better idea about doing the National at this hotel.

5. Don Snyder reviewed the progress on Keystone License plates. There will be more to follow, and these will be available at a later date.

6. L. B. Smith Ford : Andy Brown, will be setting something up with them for another meet.

7. National Sponsor: \$150. (Wolfe/Vaughn)

8. Mason-Dixon Regional: \$150. (Vaughn/Connie Snyder)

9. Donations to Charity: The chapter has been approached for donations. There was a brief discussion, and it was felt that this should be done by individuals, not the club, in order not to be unfair to any other organizations. (Vaughn/ E. Snyder)---

The meeting was adjourned, and all were wished a safe trip home! (Wied/Brown)

Bob Vaughn, Secretary

Keystone Chapter 15th Anniversary Picnic  
Lake Lenape Covered Bridge & Menlo Park Pavilion:  
May 17, 2003                      Bob Vaughn, Secretary

The Keystone Chapter celebrated its 15th Anniversary at its Birthplace in Perkasio, PA., with a good turn-out considering the 24 hrs. of rain prior to the meet. But, it just wouldn't be a Falcon meet without rain or "something".

11 Falcons (and their families), and 4 "Falconless families" were in attendance. Those present were: Brown(67 2dr), Kratz Jr.(64 HT), Sellare(63 conv.), Wolfe(68 4dr. Fut.), Weid(64 4dr Fut.), Servas(2 dr SW), Wisser(65 HT), Seitz(65 conv.), E. Snyder(64 4 dr SW), Stewart(63 Ranc.), and Vaughn(66 2dr Fut.). Those without Falcons were D. Snyder, Kichline, Kuhns, and Reeder. A total of 40+ were present. (An actual count was difficult with people coming and going.) The Reeder's little "Red Bird" could be heard crying all the way from Central PA. for being left home. Several of the Falcons here today were also present at the first meet 15 yrs. ago.

A heartfelt thank you went out to the E. Snyders, Wissers, and Weids for setting up the event. (Everyone was also happy that Andy Brown was awake!)

15th Anniversary Pins were handed out to each member's family, and original charter members were recognized. (Additional Pins may be purchased for \$5.00, and only 100 total were made.) Ed Snyder expressed his happiness with the progress of the chapter over these 15 yrs.

A moment of silence to remember those no longer with us was offered, with the hope that our friends are truly flying along in "Falcon Heaven".

1. Treasurer's Report: Balance on hand \$2066.93  
(Vaughn/Brown)

2. Sec. Report: No official report- minutes are published in the newsletters.

3. Old Business:

-- Proposed Regional/ National for Harrisburg on hold. Rooms were too expensive at \$119 & \$129. Alt. sites and prices will be considered. Any suggestions welcomed.

-- 15th Anniv. Pamphlets are available with a lot of early information, put together by Bruce Wolfe.

-- Don Snyder reported that the License Plates are "in the works", and should be available soon.

-- Andy Brown (told you he was awake!) has another meet set up with L.B. Smith in Lemoyne for Sat. Oct. 18th 9-3 with everything the same as previous meets. This has been a great time in the past, and L.B. Smith has been a good supporter of our club. All are encouraged to attend!

4. New Business:

-- A motion was made and seconded after discussion about confusion over dues payments, to make dues a flat \$12 / yr. (Vote Passed!)  
(B. Wolfe/Seitz)

5. Meets:

-- All-Fords at Carlisle next meet 5/29-6/1/03. Ford 100th Anniversary!

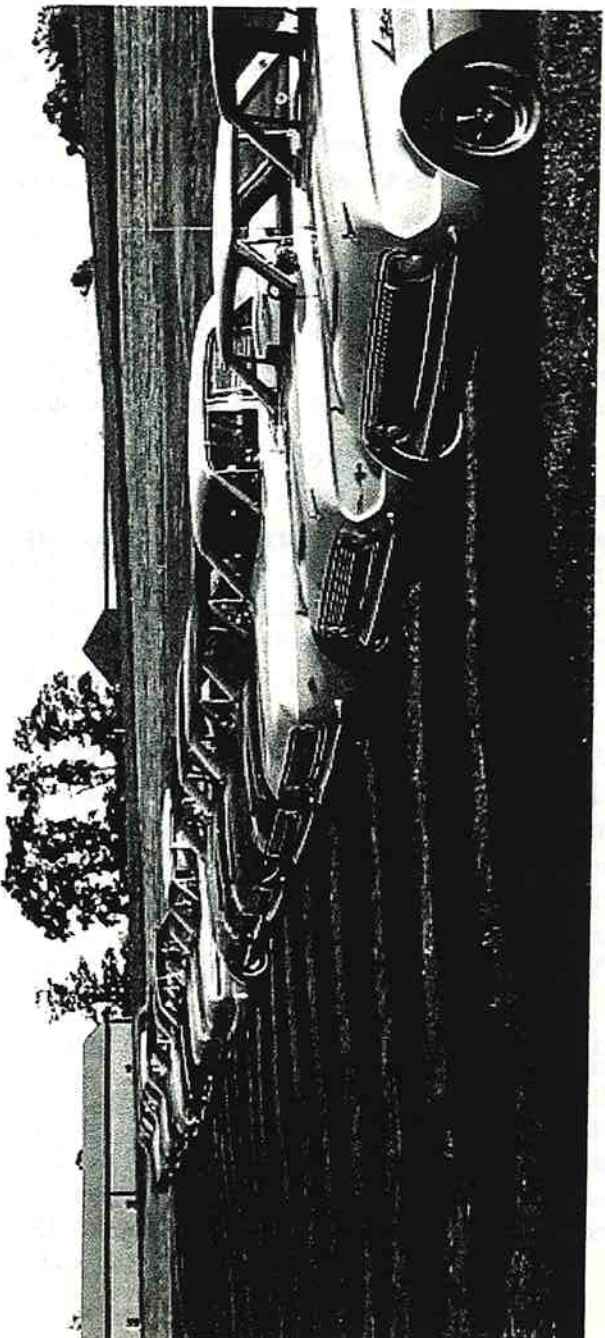

-- Renaissance Fair 6/14-15. Reduced adm. with car. See Don Snyder.

All present had a great time of fun, fellowship, and as usual, long talks about our Falcons, and memories that we have shared in our favorite hobby! Meeting Adjourned and all were wished a safe trip home!! (Brown/B. Wolfe)

Thanks to Marsha Bischel for the picture.

### **LB Smith Ford      Lemoyne, PA October 18, 2003 (SAT) 9 to 3      (near Harrisburg, PA) More details to come on this meet. Homer Hetrick of LB Smith Ford always rolls out the red carpet for this meet. Last year he supplied lunch for everyone, a great oldies band and had our club advertised on a live radio broadcast the day of the show.**
