### **The President's Message**

Welcome Keystone Falcon Club Members and Friends to 2005. Every New Year is like a marriage. We enter into the New Year for better or worse. The Keystone Chapter has several gatherings planned for the New Year. Check the calendar of events.

As you know if you live around any of the ground hog parts of Pennsylvania the Hogs have seen their shadow, as did my Falcon (check Feb/Mar 2003 Newsletter for story). According to folk lore or should I say ground hog lore we will have six more weeks of dreaded winter. Today it is 50 degrees and if this is how the next six weeks will be it's ok with me.

Big thanks to Bob Vaughn and Andy Brown. They have volunteered to co/chair the 2006 Regional.

A big thank you to Keystone member Arlen Hoffman and his wife, who are also members of the Ontelaunee Region AACA, in securing the FALCON as the FEATURE Automobile at the 2007 AWKSCHT FESCHT or Macungie if you do not speak German.

The Ontelaunee Region AACA is in need of members for their club. If anyone is interested in joining please e-mail Arlen Hoffman at [awh1234@msn.com](mailto:awh1234@msn.com) for an application. Thanks again for securing the Falcon as the Feature Automobile.

Several members are feverishly working on Falcon projects. Bruce Wolfe has his 63 Convertible at Jon Reeder's shop. I saw a sweet 62 owned by Bob Vaughn having some fine tuning work done, and of course Chet Wisneski has a Falcon on the road to recovery. We also hope to see Marshall Hess back on the road with his ride. Keep working on those birds we need some new Best of Show Falcons.

I understand the caravan to California is picking up steam but they are in need of more brave soles. If you want to drive with style in 05 to California contact Andy Brown. He can furnish you with the information.

First up is the Keystone Chapter Spring Dinner at the Blue Mountain Family Restaurant. Same game as last year, same place, same food, same price. Get your reservations in early, don't wait or you may be too late.

Be an early bird and register for Carlisle All Ford Show and the Mason Dixon Regional.

I Hope to see everyone at the Spring Dinner for fun and fellowship. Stay safe and drive with care.

**You're President Don Snyder.**

## **2006 Keystone Regional**

Anyone who has any suggestions for locations of the 2006 regional should contact Don Snyder by June 1, 2005. This will give us time to check out any new locations in time.

## **E-Newsletter**

The next issue of our newsletter will also be available via email. Anyone interested should email me at [kcfalconed@yahoo.com](mailto:kcfalconed@yahoo.com). Send a blank email with the subject as Keystone e-news. We will still send a regular mailed newsletter to those who do not wish to receive via email. This step will help the club save money on postage and printing costs and will also get you the newsletter faster.
