Hello and welcome to another edition of The Falcon Key. Much has happened since the last issue. The Carlisle All-Ford National's were a success, bringing out 36 Falcons. Of that number, 16 were Keystone Chapter members. As usual, it was a hot and humid weekend. Members from the Metro-Detroit, Mason Dixon, Northeast and Virginia Chapters were present. My apologies if I missed anyone. Please plan on attending next year. A special thank you to Pat Freer of the Mason Dixon Chapter for helping me out in selling Keystone Chapter merchandise.

Next up we had the cruise to the AACA Museum in Hershey on Saturday June 28th. Only three Falcons attended 😞

Most recently the Falcon Nationals took place in Springfield, Missouri. From what I have heard it was fabulous. Then again, aren't all Ford Falcon Nationals? Next year is the FCA's 30th anniversary. The Nationals are slated to take place in Dover, Delaware. You can't get much closer than that.

Our next upcoming event is the Das Awk Fescht (a/k/a Macungie). The date for this event is Sunday, August 3rd. Hopefully we will have better attendance. As usual, this is when we have our election of Officers and your yearly dues are due.

Speaking of Officers, the position of Secretary is still available. Please see one of the Officers (or raise your hand at election time.) We are always looking for new volunteers.

The following Chapters are having upcoming Regional's:
The Northeast Chapter August 15-16th
The Metro Detroit Chapter August 29-30th
(This is the Metro Detroit Chapter's 1st Regional.)
The Carolinas Chapter September 26-27th

Last but not least, please save the date of Saturday, October 18, 2008 on your calendars. This is the 8th year for the Classic Ford Show at L.B. Smith Ford in Lemoyne, PA. That's about it for right now. Keep on Falconing!

From the Editors

Greetings and happy August! The summer is just flying by! Hopefully everyone is having a great summer, and putting lots of miles on their Falcons. Here in the Boston area, we have been dodging raindrops and thunderstorms recently, but have managed to make it to lots of car shows in between. The 63 convertible even managed to take home a first place trophy at a Ford show on July 20th! Many thanks to Bruce Wolfe, the late Rich Hostetter and Joe Gulla from All-Nu Upholstery in Revere, MA for making her a show winner! If you go to any local shows, please feel free to send along a small write-up and some pictures – we will be sure to include them in a future edition.

This will be the final newsletter from Kevin Gabel and Lauren Cummings.

No, we aren't going anywhere. We will be getting married on September 27, so the next issue of the Falcon Key will be from Kevin and Lauren Gabel! Please accept our apologies if the next issue is a bit late, but we think the wedding is a good excuse. (And yes, the Falcon will make an appearance in the wedding, at Lauren's request. Stay tuned for pictures!)

Due to our upcoming wedding, we will not be able to make it to Macungie or the L.B. Smith show... maybe some of you could visit us at the Northeast Chapter's Regional, to be held August 15 – 16. We hope to see some of you there! Please enjoy this edition of the newsletter, and hopefully we will see everyone soon!

Carolina Chapter 8th Regional Meet – September 26th & 27th, 2008

The meet will be held in Kannapolis, North Carolina (just north of Charlotte) at a Holiday Inn Express (exit 60 on I-85). We have been to several Carolina Chapter Regional meets. The hospitality is great and they always have nice awards and good food. The show is held right next to the hotel in a Sam's Club parking lot. The location is ideal for a car show - you can park your Falcon for the weekend and walk to several restaurants and stores. There is fast food available and some nice "sit down and relax" type restaurants. Our favorite is Brewster's Ice Cream Store.

Kannapolis is about 500 miles from Harrisburg, PA. We used I-81 to Roanoke, VA and then took several routes to I-85. Drop me an email or give me a call if you want the details. Register by August 1st for the "Early Bird Drawing", which is 2 free nights at the hotel.

And don't forget to bring a valve cover along for the "Valve Cover Races". They have kits available to convert your valve cover to a racer. There are usually 3 classes - Men, Women & Children. This is the only race I know where the 6 cylinders seem to always win!

Classic Ford Show - L.B. Smith Ford - October 18, 2008

The Classic Ford Show at L.B. Smith Ford in Lemoyne PA will be held on Saturday October 18th. Please plan on attending! This is the 8th year which Falcons have been present, and last year we had over forty classic Fords present. The dealership grills hot dogs, sausages, beverages, coffee, etc. and we always have a good time!

Erie Canal Chapter Fall Picnic - October 11, 2008

This year our Fall Picnic will be held at Letchworth State Park-Trailside Lodge (www.letchworthpark.com). The lodge is at the south end of the park. Letchworth State Park runs along the Genesee River and is a long narrow park. The falls colors will be out and are spectacular!

This weekend is the giant craft show at the north end of the park at the Highbanks Recreation Area. The craft show opens at 10AM each day and the traffic gets very slow at the north end. If you are coming, it is best to come into the park at the south end (either the Portageville or Castile entrances.) The ladies that are going to the craft show meet at Trailside Lodge between 9 and 9:30 AM. They are off around 9:30AM and get back between noon and 1PM. We then have our meal followed by our meeting. The club will provide the meat and you are asked to bring a dish to pass.

If you are coming, please call Matty or Bob Passino by Oct. 6 at (585) 334-6779 to let them know that you are coming, what your dish will be and if anyone will be going to the craft show and will need a ride. It costs about \$7 to get into the park. Ask for a map of the park when you pay your entrance fee. If you plan to stay a few days in the area, it could be difficult to find a room close to the park. You can email me with questions at falcon1965@rochester.rr.com or call me at 585-352-0174 until Sept.20.

Keystone Chapter Cruise to the AACA CARNIVAL - Saturday, June 28th

We had 3 Falcons on our cruise to the AACA Museum in Hershey, PA: Bill & Linda Wisser's blue '65, Donald & Connie Snyder's white '66 and our blue '68. We did run into a small thunder shower about half way to the museum.

The stop at the 677 acre Indiantown Gap National Cemetery was a somber but very rewarding time. The elaborate Pennsylvania Veterans' Memorial is the largest monument in Veterans Affairs National cemeteries. The National Cemetery is only 1/4 mile from exit 85 of I-81. It is a site to see for all Americans.

It was also perfect timing for a restroom break on the cruise. We got to the AACA museum about 12:30. The grounds were full of antique cars. There were not many 1960's Fords, mostly model A's. All in all it was a nice cruise.

FCA 29th National Convention Springfield, MO - July 10th - 12th

The show was excellent. The hotel could not have been nicer, the weather was great and there were a good many Falcons in attendance. Rich Hostetter was honored at the National Meeting with a time of remembrance. One new award was added to the mandatory list for future Nationals and Regional shows and that will be Best of Show Modified. There will also be a Best of Show Stock. Future National Conventions will be held in Dover, Delaware in 2009 and Detroit, Michigan in 2010.

In the beginning...

Our Humble Beginnings

In celebration of our 20th anniversary year we thought it would be interesting to go back to the very beginning of the of the Keystone Chapter. The year was 1987 and a man from Perkasie, PA had a vision to gather the local Falcons and create a new chapter for the Falcon Club of America. What follows is the very first Newsletter created by Frank Servas for this new and still nameless chapter. We should really say a big Thank You to Ed Snyder and all the original members that still attend shows. If it wasn't for them we wouldn't be here today.

PRESIDENT'S MESSAGE:

There has been a good response so far on starting an "Eastern Pennsylvania" Chapter. Our first meet will be on May 14, 1988 at Lake Lenape Park in Perkasie, Pennsylvania. Directions are given in Chapter News below.

I hope to have a chance then to meet with and talk to each of you, and to see your **Falcons**. I would also like to thank Frank Servas, his wife, Ginny and Marin Ennis for volunteering their help.

We are off to a good start. I hope you will be able to come to the meets, and find them enjoyable.

At our organizational meet on May 14, we will have a formal election of officers, as well as select a name for our chapter. We would like to hold meets at different locations. If there is a location in your area for us to have a meet, please let us know. It's your local chapter, also.

SECRETARY'S MESSAGE:

Here it is. The first newsletter of the ????? Chapter of the Falcon Club of America. We've all been looking forward to this happening ever since the FCA's Board of Directors gave us the green light to go ahead and start a new chapter that will serve Eastern Pennsylvania, Northern New Jersey and Southern New York. Now that our chapter is here, it is up to you to make it a success! Take time to send in your ads, articles and any comments or suggestions you may have, and try to attend as many of the chapter's functions as you can. From the enthusiastic support for starting the chapter during the Macungie '87 meet, it's obvious that this chapter has a great future ahead of it. I would like to take this opportunity to say "thanks" to Ed Snyder whose efforts made the new chapter a reality. Had it not been for Ed, this chapter would never have gotten off the ground and we all owe him a debt of gratitude for the initiative and planning involved in starting our chapter. I look forward to seeing many of you at our chapter's first meet at Lake Lenape Park!

Marin Ennis, Secretary Pro Tem

TREASURER'S REPORT:

Dues have been set at \$5 per year. Most of the dues will be spent to send out the newsletter. It is also desired to open a savings account for the chapter, but this can not be done until we are able to maintain a minimum balance of \$100. In the meantime, applications and dues payments can be sent to either the president or treasurer.

Virginia Servas, Treasurer Pro Tem
