Hello everyone

I hope that everyone survived winter. Welcome Spring! It is that time of year to start your spring cleaning - don't forget your Falcon! Our schedule of events has started. We have some good shows and gatherings set for this year. Our next event is the Spring Banquet at Blue Mountain Restaurant on Saturday April 24th. The food is always good and it is good talking to everyone. Don't forget about the auction after dinner. Next we have the All Ford Show at Carlisle in the beginning of June. At the end of June we are having another Falcon Family Picnic. Also it is never too early to start thinking about the Keystone Regional in September. I look forward to seeing everyone at a gathering this year. When times get tough and hectic, it is nice to go to a show and sit back and relax. Hopefully mother nature will be on our side this year. Just remember that our chapter is what we make of it, so come out and enjoy it. See you soon! Happy Falconing!

Jeff

Secretary's Report

Submitted By: Linda Wisser

Hi Everyone,

After two snowstorms in the month of February and one week of dreary, cold weather, the Cabin Fever Meet at Kauffman's Chicken on Sunday, February 28th came as a much needed day out. The weather that day was on the cloudy side and a few flurries were flying but for the most part, it was a good day. As usual, the chicken at Kauffman's was awesome and it was good to see everyone again. There was a lot of "catching-up" to be done!

Jeff welcomed everyone and read the Treasurer's Report. He also reminded everyone about our Spring Banquet on Saturday, April 24th at the Blue Mountain Family Restaurant. Please send in your banquet registration form and your check, payable to the Keystone Chapter to Ginny Servas by April 10th. Remember to bring items to be auctioned off-the auction is always a lot of fun!

The following people attended the Cabin Fever Meet at Kauffman's Chicken:

Jeff and Renee Wied	Ed and Nancy Snyder	Marshall and Karen Hess
Bruce Kichline	Rick, Lisa and Tyler Adams	Mary Crissinger
Bruce and Pam Wolfe	Bill and Linda Wisser	Sean, Susan, Ryan, and Matthew McNeill
Don and Connie Snyder		

Looking forward to Spring and seeing everyone at the Spring Banquet.

**Respectfully submitted,
Linda Wisser, Secretary**

For those of you who have thermostats in your Falcon

Important and maybe not so important information about Thermostats.

Very Cheap - yes, a 180 degree brass thermostat covering Falcon years 65 to 70 ½ is \$2.95 in Auto Krafters. The question is do they work. The answer is sometimes and even the brand new ones should be checked. The best way to check them is to first purchase a meat or baking thermometer. These thermometers are relatively cheap and can be purchased at most discount stores.

Boil water and place the thermometer in the water. When it heats to the temperature of the thermostat place the thermostat in the water kind of like a lobster. Watch to see if the stat opens and at what temperature. I tried three until I got one that opened all the way at 180 degrees. The others never fully opened. Also on your list should be a needle nosed pliers so you can retrieve the thermostat from the boiling water. Also watch as it cools to see if it closes properly.

I personally do not trust my investment in my Falcon to a \$2.95 thermostat. I drill two 1/8 inch holes in the disk portion of the thermostat - this allows at least some water through in case the thermostat fails.

Looking Ahead...
