Hello and welcome,

The latest edition of The Falcon Key has arrived. I hope everyone is doing well. Alison and I are finishing up more home remodeling. It sure can be time consuming.

Our annual spring banquet was held this past April. While the turnout was low, we all had a great time. Once again, Ed Snyder volunteered his auctioneering skills and was assisted by Bill Wisser. There were all sorts of goodies. Alison bid on and won an interesting item. I plan on displaying it in the Falcon at car shows behind the steering wheel. If you were at Carlisle, you were one of the first to see it.

Our next event is the Keystone Chapter picnic. Once again, Jeff and Renee Wied have volunteered to host the picnic at their house. The date is Sat., June 26th. A big than you to Jeff and Renee for hosting the picnic. Please see page 6 of the newsletter for more information and directions.

Then comes the most anticipated event, The Falcon Nationals. This year's location will be Dearborn, Michigan on July 15-17, 2010. From everything I have been hearing it looks to be a fun time. Most recently I heard that they have received permission to do laps on the proving grounds track. It can't get much better than that!

The Keystone Chapter Regional slated for September 10-11, 2010 is starting to take shape. If you would like to help out, please contact one of the Officers. Again, we will be having it at the Comfort Inn off of I-78. Please plan on attending. We are going to be having a display of Ford Falcon items showcased as part of the 50th anniversary at our Regional. If you have anything of interest that you would like to see displayed, please contact Ed Snyder at 215-257-2422.

If you have any suggestions for an event in your area, please let one of the officers know. We would love to include it in the newsletter.

Keep on Falconing!

Andy

From the Desk of the Northeast Regional Director

As part of my responsibilities as Regional Director, I am to ask all of the members of my Chapters if they have any items that they would like to bring before the Falcon Club's Board of Directors at the annual meeting in July. If you have any ideas that might improve the Falcon Club, or if you have any complaints, I am the one to send them to. I will in turn put all of them together and submit the list to the National President to bring before the Board.

Please submit in writing before July 1 so I can in turn submit my list before the National Meeting on July 14. You can e-mail me at RaysFalcon@cox.net or mail to 73 Francis Road, Gloucester, RI 02857.

Thanks,
Ray Chevalier

Would you like to have your copy of *The Falcon Key* Keystone Newsletter emailed to your inbox rather than have it mailed to your home's mailbox? Send KCFCAEditors@gmail.com an email with "Email Newsletter Please" in the subject line. This would be a great "green" initiative for the chapter that would save trees and allow the chapter to save money on printing and mailing costs in these tough economic times. **Please think about it!**

Secretary's Report

Carolinas Chapter 9th Regional

On Saturday, April 24th we had our Spring Dinner at the Blue Mountain Family Restaurant. The following members attended the dinner: Andy and Alison Brown, Jeff and Renee Wied, Ed and Nancy Snyder, Frank and Ginny Servas, Bruce and Pam Wolfe, Don and Connie Snyder, and Bill and Linda Wisser

We sat down to a delicious family style dinner complete with dessert and coffee. The evening continued after dinner with our annual auction. Our auctioneer Ed Snyder, and his assistant, Bill Wisser did a fantastic job of selling the items and entertaining us as well. A great time was had by all!

Our next event is the Chapter picnic on Saturday, June 26th at Jeff and Renee Wied's home. Please check the newsletter for more information and directions. Hope to see you at one of these events.

Remember, this is your club and your participation makes it successful.

Respectfully submitted,
Linda Wisser, Secretary

If you are a NASCAR fan you won't want to miss the 9th CCFCA Regional meet in Kannapolis, NC. The Carolina's chapter members are stepping up to the plate again with a Roush / Fenway tour. I went along on this tour at their last regional meet and I was really impressed. We went through the complete shop and saw all the different stages of building a race car. It was very fascinating and not very far from the hotel. Bruce Wolfe

Editors Note: More information on the Carolinas Chapter 9th Regional will be in the next newsletter. Information on the regional can be found on their website

Chapter Picnic

Come out FOR some Food, Fun, Family, and Falcons!!!

- Where?** Jeff and Renee Wied's House
2593 Hill Rd, Green Lane, PA 18054-9593
- When?** Saturday June 26th
(Arrive at 10am; start eating around noon)
- Why?** For the Food, Fun, Family, and Falcons!!!

Everyone is invited to the 2nd annual Keystone Chapter picnic at Jeff and Renee Wied's home in Green Lane, PA. Jeff and Renee say that (weather permitting) there will be swimming, volleyball, and other games for those energetic people, and lots of relaxation for those more subdued individuals. The Chapter will provide hamburgers and hot dogs, and is asking everyone to bring a covered dish or dessert to share. Don't forget your chairs and any Falcon parts you might want to sell (or just leave on their front lawn.)

All kidding aside we would love see a big turnout for this event. Make all the effort Jeff and Renee are putting into this day worth it for them. If you plan on attending, please call Jeff & Renee @ 215-234-8833 or email j.wied@hotmail.com.

Directions:

- From Rt. 476 (Penna Turnpike), take Exit 44 (PA-663 Quakertown/Pottsville)
- Turn right onto Rt. 663S (heading towards Pottsville)
- Stay straight on Rt. 663S for approximately 8.5 miles.
- Turn left at the 3rd traffic light onto Hill Rd. (do not count blinking light)
- Follow Hill Rd for about 1.9 miles. Their house (#2593) is on the left.

Mike Hershey sent Bruce Wolfe this torque converter cheat sheet. Mike is the guy that did and will do again the C4 demo at our regional. So.... if you have any torque converters lying around, this should help you find out where they belong.

Why I Cannot Attend Keystone Falcon Events

These are just a few reasons why we have a less than stellar attendance at our Falcon events:

- My dog eats my Newsletter and I am unable to remember the events.
- My brother and I share a pair of false teeth and it is always his turn to wear them when an event takes place.
- My kid takes the car and does not come back in time for me to get to any events.
- My wife does not wash my underwear and I have none to wear.
- I actually live in Alaska but have a Pennsylvania address for insurance purposes.
- My dog chewed my shoes now my toes stick out the front.
- I joined the Falcon club because I thought Falcons were birds.
- My dog ate my Falcon.
- Most of the meets are on Saturday and that is when my wife wrestles and I must support her.
- My wife said I cannot be out past 4 PM.
- Every time there is an event I lose my car in the Wal-Mart lot.
- I put new tires on my Falcon and I do not want to wear them out by driving around.
- My dog got in my Falcon and chewed the seat covers off when I go to drive it the seat springs tear my pants.

This is one of the nicest stock Falcon wagons you will find. This beauty won first place in its class at 2 Falcon Club of America National conventions in Nashville, TN and Cromwell, CN (driven to both shows from Central PA). This car was restored on a rotisserie. It has a 200 CU. IN. six cylinder with a 3 speed stick transmission. All parts of the car were removed and stripped to bare metal and painted with epoxy primer. All 35 pieces of stainless were removed and buffed. The interior was also painted and restored to stock including a new head liner and a restored steering wheel. Many NOS parts were used in the restoration including the tail gate emblem and window crank. The restoration included a new windshield, all 4 door rubbers and re-chromed bumpers. Last year a new Autolite battery was installed. Non-Stock items are: Mag Wheels (I have the stock wheels and hub caps), 200 six instead of 170 and an alternator instead of a generator. To view some more pictures of the wagon's restoration, type the link below into the browser line on your computer or send an e-mail to the address above.
