VOL. 9 No 3

JUNE 1996

DEDICATED TO PRESERVING
THE FALCON AUTOMOBILE
1960 - 1970 1/2

"PRESIDENTS PAGE"

WANTED:

(DESPERATELY NEEDED)

Unrestored 1960 thru 1970 1/2 FORD FALCONS at upcoming Keystone Chapter FALCON Club meets.

All of our members enjoy seeing unrestored cars as much as we like seeing partially and fully restored cars. We like seeing how that old Station Wagon has weathered the many years of service to a family or a Ranchero that is actually used as a truck. We love to hear the stories of how someone saved a FALCON from doom by dragging it out of a field or junk yard and have it back in service for daily driving.

When I first started coming to FALCON meets I had a blanket on the front seat to cover the large holes in the cloth inserts. Those " I LOVE MY FALCON " bumper stickers on my back bumper were there to cover up the rust (even though I do love my FALCON). I never opened the hood because it was disastrous looking under there. The hub caps were not the right year and my chrome trim and grill were less than perfect.

The bottom line is, no matter what shape your FALCON is in we would like to see it. If it's not on the road bring pictures. Check out the meet schedule in this newsletter and come and enjoy. You might even win some money for just "SHOWING YOUR FACE". We would like to meet you and help out in any way we can with information to restore your FALCON.

Don't forget to bring your parts (or a list of parts) for sale or needed along to FALCON meets. You've got a captured audience of buyers and suppliers.

*HOPE TO SEE YOU SOON
BRUCE*

The Keystone Chapter of the Falcon Club of America was formed to serve the geographical areas of: Eastern Pennsylvania, Northern New Jersey and Southern New York.

"SHOW YOUR FACE"

This year we are trying something new with the money the Club makes on the 50/50 drawings. We will have the same drawing as in the past, but the money that would have went into the Clubs treasury will be a separate drawing. It will be called the "SHOW YOUR FACE" drawing.

Every KEYSTONE CLUB MEMBER'S name will be put in a box. A name will be drawn from the box. If that member is at that meet they will win the money. If they are not there, the money will be rolled over to the next meet.

The final drawing will be held at the "Eastern Regional Meet in Lancaster, by only using the registration list.

Detail tip. The biggest problem we have washing our waxed "Falcons" is trying to get our kids to do it. The second problem is drying the car after washing it. Take the nozzle off the hose and let the water run on the car. That way the hose without the nozzle will take most of the water left on the car after washing it.
