President's Message

Hello again. As the calendar shows Spring has sprung! It will be time to start dusting off your falcons. We started the event season off well. We had a great time at our Cabin Fever gathering on March 16th. Good food and fellowship was had by all. Now it is time to shift gears. Our 17th Keystone Regional will be here soon. The Regional has plenty to offer. There will be auctions and games, not to mention all the Falcons in attendance. So come on out and enjoy. Any support you can give will help make our Regional that much better. We would like to see everyone come out. This is just the start of another great year of events. I wish everyone the very best this year and look forward to seeing you. Let's keep them Falcons rolling.

Jeff

Mac McCray's 1965 Sprint Hardtop KCFCA 2012 Best of Show Winner Stock

Here is some information on Mac's 1965 Falcon Sprint Hardtop.

I bought my 1965 Sprint in November 2002. I stripped the car down to its shell in 2006 and trailered it to Telford, PA to Trick Works where Jerry Kratz works. They took the car down to bare metal and then laid down a beautiful "Vintage Burgundy" paint job. When I brought the car back to Virginia it took me 3 months to put it back together. I used many NOS parts to replace the worn old parts.

Most of these NOS parts came from the many trips I made in the early 80's to the fall show and Ford Nationals in Carlisle, PA. I am currently showing the car at AACA events all over the country. It has won a 1st Junior, Senior, and 1st Grand National awards. It has also been nominated twice for National Awards in the AACA. Most of the time, I am the only Falcon at these events. My goal was to keep the car completely stock so people could see what a 1965 Ford Falcon Sprint looked like sitting on the showroom floor at a Ford dealership in 1965. Submitted by Mac McCray

17th KCFCA Regional Meet

On May 2nd & 3rd the KCFCA will be holding our 17th Regional Meet. It will be held near Bethel, PA at the Midway Comfort Inn. See the registration form on the last page of this newsletter for more information. We need your help to keep our show running smoothly. Greeting the attendees and showing them where to park, helping in the hospitality room, counting votes, helping with guard duty, taking charge of the center pieces for the banquet and setting up for the banquet are just a few places you can help. Donald Snyder (717-859-1701) and Bruce Wolfe (717-469-7252) are the chairmen for the Regional meet. Give them a call or contact them by email (page 2) if you would like to help. We will use a different voting method this year. Instead of voting for a Falcon in each class you will choose your top 20 favorite Falcons. This method will save time and money for our club. Don't forget the Friday Night Cruise to Kauffman Chicken. We will leave from the Comfort Inn at 6:00 PM. Also, be sure to check out the KCFCA Regional web site at: www.sites.google.com/site/keystonechapterregional

Shop Talk Session at 17th KCFCA Regional

Stripping wire and crimping terminals. Have you ever heard someone say, "Those crimp on terminals are junk"? I always ask, "How did you crimp them"? The answer is usually, "With a pliers". So it wasn't the terminals, it was the method of crimping. At the "SHOP TALK" session we will be discussing how to properly strip wire and then apply a crimped terminal. We will review the proper tools and discuss how to determine the correct terminal for a chosen wire size. Those that attend will also be in a drawing to win some crimping tools. The "Shop Talk" session will start at 1:00 PM on Saturday.

Cabin Fever Meet Kauffman Chicken March 16th

18 Falcon enthusiasts showed up for the KCFCA Cabin Fever meet. There was only one Falcon in the parking lot. That was Marshal Hess's newly revised 1965 Ranchero. Check out the picture below. There was a meeting to go over last minute items for the 17th Regional meet. The food was great (as usual) and the Falcon conversations went on and on. A Falcon enthusiast from Northampton, PA found the group of KCFCA members in the back corner of the restaurant. He joined the FCA and the KCFCA. He is looking for a V8 Falcon with a 4 speed. 10 Regional hats were sold. Check out the picture below of "Men with Hats".

Left to right: Jeff Wied, Ed Snyder, Frank Servas, Ray Border, Dave Davis, Don Snyder, Marshall Hess, Bruce Wolfe

Don't forget the Regional Friday Night Cruise to Kauffman Chicken. We will leave the Midway Comfort Inn near Bethel at 6:00 PM. Kauffman's has a great menu selection. They also have handed dipped and soft serve ice cream. You can finish the night with a round of miniature golf. It's easy to get to if you can't make it at 6:00pm. Leaving hotel, turn right and go over I-78 to stop sign. Turn right, go about 1 mile and turn left on Gravel Pit road. Kauffmans restaurant is on the left. The Falcons will be parked on the right side parking lot.
