Hello there, Jim here.

What have you and your 1960t something Falcon been up to lately? Are you the type that lets the vehicle(s) decant over the winter? Or do you enjoy the "crisp" air and spend some one on one time with your metal friend. I've gone both routes from having installed a digital dash one winter to only monthly startups. Hey, you don't feel your fingers getting cut and scraped when they are numb. Not to mention the benefit of the reduction in blood loss due to constricted capillaries. Don't know about you, but I am always smacking my head on that darn hood spike. You know, the thing that holds the hood to the radiator wall. I'll bet Mr. Ford found a warehouse full of spear tips in need of repurposing. In the winter, wearing a heavy wool hat or two for spike protection does not seem as out of place as it does in 95-degree summer swelter. Winter garage time also has the benefit of less guilt for quitting early. After all, who would blame you for kicking off early when the wall thermometer can't ever move itself above freezing. Don't get me wrong, it is a good idea to keep a kerosene heater nearby; however, I prefer to warm up the bird, then let it back in the garage. Like a warm cat on your lap, wrenching a warm car in the winter is a bonding experience.

The 2020 show season is not far off. Please raise your hand to assist with the Keystone Regional only a few months out. Also, check out other events on our website. <https://keystone.falconclub.com/events/>

## REMEMBERING NANCY SNYDER

It's hard to believe our "First" First Lady of the Keystone Chapter has passed away. Nancy Snyder, the wife of the founder and first Keystone Chapter President Ed Snyder, passed away on December 21st. Nancy was a steadfast supporter of the Keystone Chapter organizing many chapter picnics and always helping in the hospitality room at our Regional Meets. As you can see in our treasurer's report, our chapter has sent a Memorial Gift to the Grand View Hospice in memory of Nancy. Please keep Ed, their 2 daughters and grandchildren in your thoughts & prayers. Nancy's obituary is listed below.

Nancy A. Snyder, of Perkasie, PA, passed away Saturday, December 21, 2019, at her home.

She was the wife of Edward L. Snyder. The couple had celebrated their 53<sup>rd</sup> Wedding Anniversary on July 16, 2019. Born in Sellersville, PA, she was the daughter of the late Augustus M. Sr. and Hazel L. (Kratz) Dalesio. She was a 1965 graduate of Pennridge High School, Perkasie, PA.

Nancy was employed as a school bus driver, driving "Bus No. 19" for the Pennridge School District, Perkasie, for 30 years until retiring in 2014, and previously for Faith Christian Academy, Sellersville, PA, for six years. Earlier, she worked for the former EMICO, Perkasie.

She was a member of Faith Baptist Church, Sellersville, PA, where she sang in the Church Choir and served with the "Shut-In Ministry".

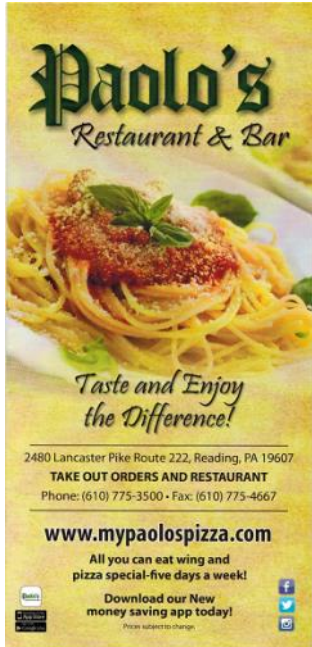

In addition to visiting Ocean City, NJ, Nancy enjoyed shopping as well as tending to her home and her flower gardens. She had a passion for cooking in her kitchen, sitting on her back porch and listening to the rain. Her greatest joy in life was spending time with her grandchildren and her family and attending her grandchildren's sporting events.

Surviving with her husband are two daughters, Brenda L. Hoover and her husband Marc, of Quakertown, PA, and Christine A. Shuster, of Pottstown, PA; four grandchildren, Austin Hoover and his fiancée Kari Anderson, Bryanna Hoover, Olivia Shuster and Lily Shuster; and her mother-in-law, Kathryn Snyder, of Sellersville. In addition to her parents, she was preceded in death by a brother, A. Michael Dalesio, Jr., in 1996.

In lieu of flowers, memorial contributions may be made to Grand View Hospice, 700 Lawn Avenue, Sellersville, PA 18960.

## BELINDA'S '64 WAGON

Here is a picture from 1974 of my grandparent's Falcon wagon. They pulled a camper with it and sold it to me later that same year. My first car. That wagon is long gone but my wonderful husband is working on recreating it for me, with improvements. He has purchased two wagons, a two door, and a four door. The four door is currently in the body shop getting new floor pans so I don't have to watch the road go by at my feet. He can better explain the upgrades, which include new larger wheels, disc brakes, bigger engine and transmission. I am hoping to have her on the road next summer while waiting for paint and interior to bring my "Brandy" girl back.

## DRAGFEST 2020 LEBANON, PA

# WOW... Check Out These Hot Falcons

Dragfest 2020 was a drag racing themed indoor car show held at the Lebanon Valley Expo Center on JAN 11th & 12th. Of the 150 + cars on display there was 7 Falcons and 3 of them were Sedan Deliveries. If I counted right, there were more Falcons at this show than Mustangs, Camaros, or any other car model which was pretty cool. Ironically the 3 Sedan Deliveries at this show were also at the Ford show at Maple Grove Dragway a few years ago and they were the only Falcons at that show. If you are in the area next January and like drag racing, I would recommend attending this show.
