President's Message

Hello Keystone Falcon Club members,

Having served as our club president the past four years, Jeff Wied has decided to step down. We would like to sincerely thank him and Renee for all they have done. Everyone in attendance will long remember their 2018 KCFCA Regional, Falcon Family Feud & many other games. We would also like to thank Jeff for all the behind the scenes work done by all Presidents that are unknown to members.

Now that my life has slowed down a bit, I would like to do what I can to help preserve Ford Falcons. At the recent cabin fever event, I put my hand up to offer time to the club. By the end of the meet, Frank and I were discussing what can be done to update the club website. Later, while going over the new site with club officers, I casually asked if the presidency position was still open. So here I am, your interim club president. I will gladly accept your official vote at the 4-Aug Macungie show. Hope to see you there.

For those of you that don't know me, I have only been a member of FCA for a few years. However, I still have the 64 Ranchero I acquired in 1974 from my future brother-in-law. The Falcon has been part of the background of our adult life. Even though Casper was not the highest item on our priority list through the years, we always found garage space and a little time now and then to keep it in the family.

The Keystone club mission is to preserve the Falcon automobile. What does that mean to you and what do you think we can do to further the mission? The officers will host a conference call in the coming weeks to discuss what we have been up to lately and seek your ideas and participation. Let's make Jeff proud. Jim Ogram

The 20th KCFCA Regional meet is being planned. The meet will be in May of 2020. Did you know we have to start planning a year ahead of the meet so we can book a hotel? We are looking into a more central location for our club members. **We really need your help to host this Regional meet.** Here are just a few jobs needed for the show.

1. Design the artwork for the T-Shirt and Trophy Plaques.
2. Order T-shirts, Trophy Plaques & bring to the show.
3. Set up the parking lot for the show.
4. Purchase drinks and ice and bring to the show in coolers.
5. Organize the pizza lunch on Friday.

And much more to come

MEMBER NEWS

Our youngest KCFCA member, Dustin Varvel, turned 18 on June 4th, graduated from Northern Lebanon High School on June 9th and left on June 10th for Marine Boot Camp. We won't be seeing much of him or his 66 Sports Coupe for about 4 years.

All of us in the Keystone Chapter wish him well in his new endeavor. OORAH !

DID YOU KNOW ?

The 1971 XY GTHO Phase III Australian Falcon 4 DR Sedan was the World's Fastest Car. 351 CU. IN. with Shaker Hood, 4 speed Top-loader, 14 second quarter mile, 140 MPH on the Australian Bathurst Road Course. Check it out on YouTube.

FLASH BACK

In 2000 the world was worried about Y2K while the Keystone Chapter was working on a 35 year old FLASH BACK. We had a meet in 1999 at Keller Brother's Ford in Lititz, Pa. While at the meet the owner, Dan Keller, showed us a picture of the dealership in late 1964 or early 1965.

As you can see, there is snow in the original picture. In the foreground of the picture is a white 1964 Falcon. The next Falcon is a 1965 4dr sedan. It has a new car sticker in the back window. The next Falcon is a 60 or 61 wagon. Beside the wagon is a 1941 or 1942 Ford ??? Along side the building is a 1956 2dr hardtop. In front of the garage door is a 1953 – 1956 Ford truck. We won't say anything about the Brand X behind the 56 Ford.

The Keystone Chapter had another meet at Keller Brother's Ford in 2000. We decided to try to duplicate the 1965 picture. In order to get some other old Fords at the meet we asked our Keystone members to invite some of their friends with old Fords. One thing led to another and the meet was advertised in a local paper as an "All Ford Meet." Dan Keller had to empty his new & used car lot for all the Falcons and Fords at the meet. By chance we had almost all the right Fords at the meet for the reproduction of the 1965 picture.

The 3 Falcons and the old Ford roll back truck are owned by Keystone members. The black 64 Sprint Hardtop is owned by Rudy Dubravec of New Cumberland, PA. The white 1965 Futura Sedan is owned by Frank & Ginny Servas of Coopersburg, PA. Frank's sedan is the only Falcon that is the same year and color of the original picture. Frank's Falcon is also a V8. Note the 289 emblem. We added a fake window sticker in the back window. The next Falcon, a 1962 Deluxe Wagon, is owned by Bruce & Pam Wolfe. Note the different tail lights and placement of the tail gate emblem. This change was made in 1962. This wagon also does not have a roof rack like the original picture. The old Ford roll back belongs to Ed Fidler of Lebanon, PA. Ed has a 1961 Falcon 2dr wagon but brought his Edsel Station Wagon on the roll back. The truck did a good job hiding the newer cars in the back of the Ford dealership. We didn't record the owners of the other Fords.

Keller Brothers Ford went through an extensive remodeling in 2002. We snapped the picture just in time.

UPDATE ON KCFCA WEBSTE

For technical and financial reasons the Keystone website has not had an overhaul in quite a few years. The club officers have been working with the FCA and now have shared resources with the FCA host provider at a very reasonable cost. The expectation is our new site will be live sometime in July. Currently there are 24 pages to the site with many more in progress. We would very much welcome your crazy and not so crazy ideas as to what our club site might contain. The current crazy idea list has 28 items. We would like to double that list with your help.
