President's Message

Well with Macungie behind us, LB Smith is not far away which marks the end of another show season. There are still a few events to squeeze in before the cool weather arrives. I would like to meet you in person to hear your story and collect ideas for the direction of the Keystone Chapter. Also, we are holding monthly conference calls on the second Thursday at 7:00 PM. Officers discuss business and whatever is on your mind. If you are not the participating type, back seat observers are welcome. Give it a try. Dial-in number: (605) 313-5393 Access code: 663286# or view presenters screen with audio

Planning for the 2020 Keystone Regional is underway. Please let us know what you can do to show our guests that we can put on a regional worth traveling across the country to attend.

Have you seen the "light go on" in a youngster's mind? Last week I educated Jason, a 14 year old relative, on how to replace a wheel cylinder. We also toured the Macungie fairgrounds together. He seemed to be excited about the adventure and asked many questions.

Have you visited our website lately, <http://FordFalcon.org> ? The first 40 Chapter Newsletters have been loaded with more on the way.

2020 KCFCFA Regional HELP!

As Jim stated in his President's Message, Planning for the 2020 Keystone Regional is underway. Please let us know what you can do to show our guests we can put on a regional worth traveling across the country to attend.

The meet will be the first weekend of May 2020. This past May we started looking for a hotel in Pottstown due to a Friday cruise to "The Eastwood Company." After a lot of time spent getting extra car show parking and trailer parking at nearby Pottstown locations, the hotel accommodations fizzled out. We then moved to the Best Western Reading location. We think we hit the jackpot. Dawn, the Director of Sales, worked at Carlisle Productions for several years and Ed, the Maintenance Man, is a "Car Guy." And yes, the hotel is Super Nice also. Below is a small list of jobs for the Regional. Check out our website under [2020 REGIONAL](#) for a complete list and job description.

1. Set up the parking lot for the show.
2. Purchase drinks and ice and bring to the show in coolers.
3. Organize the pizza lunch on Friday.
4. Take care of 50/50 drawing
5. Welcome Tent: Show everyone where to park.
6. Car Wash: Bring hoses and buckets for car wash.
7. Club Store: Work in Hospitality room selling extra shirts.

Please call or email Bruce Wolfe to volunteer. (See Page 2)

Jerry & Linda Kratz Garage Meet 2019 KCFCA Picnic

The picnic was great. The weather was picnic perfect with enough sun to cause chairs to rotate eastward with the shade as the sun moved westward throughout the afternoon. Jerry's shop was wide open for inspection and Q&A. On display at the buffet line was a picture from Jerry's family trip to Japan. His daughter was holding a Japanese falcon (bird) while she was wearing a FCA shirt. There was plenty of picnic food to go around. Mid-afternoon we all gathered to hear Jim give a quick update on the Keystone regional. It was another fun day of fellowship and car chat.

The weather was almost car show perfect. A nice soft breeze was going most of the day. Some visitors were disappointed that we didn't have a 1960, 1961, 1966, 1967, 1970 or a 1970 ½ FALCON on display. Okay, just kidding. Someone did ask about a 1961 Falcon. We had some discussions about the Regional T-shirts, hat color, and future Regional art work. Future T-shirt / Trophy Plaque art work will not have to use the previous "Best of Show" winners. This will make it simpler to design the artwork. KCFCA officers for 2019/2020 are; President: Jim Ogram, VP: Jerry Kratz, Treasurer: Ginny Servas, Secretary: OPEN & Editor: Bruce Wolfe. Check out some pics below. A BIG THANKS goes out to our officers. They haven't had a pay raise in years.

News From Winter Park, CO.

Several Keystone Chapter members attended the FCA National meet in Winter Park, CO. Elmo & Marcia Lewis received the “Longest Distance” award for driving their Falcon from Fairfield, PA. Dan & Rhonda Haines from Levittown, PA also took their Falcon to the meet, but used a tow dolly. Next year the FCA National meet will be in Dayton, Ohio which is much closer for our KCFCA members. I sure hope you will be able to attend. Start making plans right now. Check out the FCA magazine for more information.

REPORT FROM ELMO & MARCIA LEWIS:

We had a very long and nice trip to Winter Park by way of Pennsylvania, West Virginia, Ohio, Michigan, Indiana, Illinois, Wisconsin, Minnesota, South Dakota, Wyoming, and Colorado. 11 days of good weather, wonderful sights, and people. The best folks are Falcon folks. We drove 2810 miles by the time we got to Winter Park, CO. We saw many attractions coming and going. A Mississippi river boat, Red Wing Minnesota, The James Dean Museum in Indiana. We saw the Badlands, Sturgis, Rushmore, Crazy Horse, Spearfish Canyon & Hot Springs in South Dakota. Cheyenne, Estes Park, Pikes Peak etc. love driving that FALCON.
