PRESIDENT'S MESSAGE

Welcome Keystone Falcon Club Members and Friends to 2007.

The Officers held their meeting January 13th, 2007 many things were discussed. Among the discussed topics were having a five year dues payment. This would be for people who would like to pay every five year instead of every year. The club would maintain the once a year payment for those who wish this payment. The club will vote on this at the Spring Dinner. The only saving would be if the dues were to be raised during the five years those who paid the five years would not have to pay the increase.

The Spring Dinner was finalized and will be chaired by Bob Vaughn. There will be an auction at the dinner please refer to the information contained in this newsletter. Please come and fellowship with your friends and fellow Falcon members. (Refer to information & reservation form in this newsletter)

The 2008 Keystone Chapter Regional will be chaired by Bob Vaughn and Andrew Brown. This will be the Keystone Chapter's 20th anniversary.

The Macungie Committee had a meeting and are continuing to set up the show field and preparing for the show. Please make time to attend August 3rd, 4th and 5th, 2007. (Refer to information & show field sign up in this newsletter)

Have you taken advantage of the early pre-registered for Carlisle All-Ford Nationals June 1-3, 2007?

Spring is just around the corner with it comes another year of cruising and shows. Take time to look over your Falcon and make sure everything is operating properly. Due to the long period of warm weather some of our Falcons were on the road a bit longer than normal. A change of oil and sparkplugs along with an exhaust system check and brake check will keep that bird traveling down the road.

HOPE TO SEE EVERYONE AT THE CABIN FEVER GET TOGETHER

The membership year for the Keystone Chapter runs from the Macungie meet (August) in one year to the Macungie meet the following year. The reason for this is that our chapter was founded at Macungie, and this is the one fixed event in each year's schedule. The Macungie meet has substantial attendance and many members renew their membership at that time.

Members who do not renew at Macungie are sent reminders along with their newsletter mailings. Sometimes it takes until the early months in the next year to obtain the renewal. In this instance, sometimes some confusion arises since the members dues were really in arrears since the previous Macungie meet, and the currently renewed membership expires at the next Macungie meet, rather than at the end of the calendar year. This explanation is furnished to make clear the membership year for our chapter (August to August).

This 3 day show is one of the largest shows on the East coast with over 3,000 cars attending. Approximately 12 Falcons will be chosen as the display models for the 3 days under the 40 x 100 "Feature Falcon Tent". All other Falcons attending the 3 day event will be on display immediately outside the tent. Lots of Falcon Memorabilia will also be on display under the tent. Contact Ed Snyder (215-257-2422) to display your Falcon memorabilia in the tent display. Efforts are being made to include many Falcon body types and years under the tent. I wish to display my Falcon: under the tent outside the tent location doesn't matter

I wish to display my Falcon on: Friday Saturday Sunday.

A large selection of Falcons is desired for the display on all 3 days. In addition to the cars under the tent, Falcons will be displayed immediately outside the tent. To encourage participation (under or outside the tent), FCA members whose Falcons are displayed for 2 of the days will receive a rebate from the Keystone Chapter of \$10. FCA members whose Falcons are displayed for all 3 days will receive a rebate of \$20. These rebates are based on the Macungie early registration fee and will be paid on Sunday, August 5th.

Be sure to check out the enclosed Macungie flyer for information on the 3 day event. Your car registration includes a maximum of 4 people per car. You will receive a participation award every day your car is registered and driven onto the show field. This newsletter is dedicated to Jack Russell.

Jack Russell came to our Regionals starting with the first one in Livingston, NJ, in 1989, and attended our National in 1994. He joined our chapter at the Regional in 1989, and quickly became known as a willing helper at our events in any capacity needed. He was a true Falcon enthusiast, keeping his Falcon running as long as possible. He will certainly be missed at our Falcon events. His wife Judy always attended with him and also helped out where needed. Our sympathy to her and their family.
