PRESIDENT'S MESSAGE

It's that time of year when not much is going on here in the eastern part of the country. It's cold and most of our FALCONS are tucked away in storage. Now is the time to think about the up coming year. Order some long needed parts so you have them in time for that first car show. Or maybe it's time to clean out the garage and your other storage areas and find those parts you've been wanting to sell. Make a list of them and send them to the Editor or you can bring them along to the Chapter picnic at Bob Vaughn's on June 28th. **This will be a picnic/swap meet.** Bob has plenty of room to display all your parts.

We have another full year of activities planned for the Keystone Chapter. Check out the "Schedule of Events" for 1998. Mark them down on your family calendar. Remember this... any FALCON is welcome at a Keystone Club meet. We like to see them all, no matter what shape they are in. We especially like to see the "Before and After" pictures and hear the stories about the life & times of your FALCON.

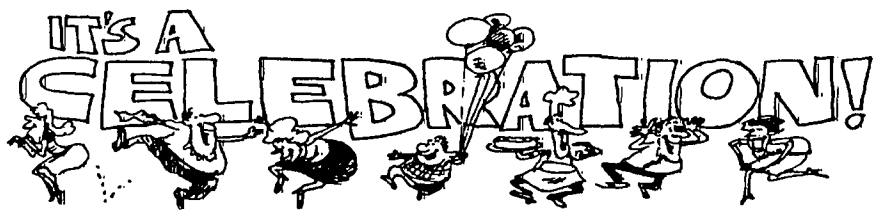

Make sure you get your application sent in for the "ALL FORD SHOW" in Carlisle. I'm not sure what the registration price will be after January 31st, but I'm sure the "Early Club Registration" of \$20.00 will be a big savings over the regular fee.

I hope to see you all at the Annual Keystone dinner on April 4th. The chapter will pay the tax & gratuity for your meal. We will also have some great door prizes to give away!
 Hope to see you there!

Bruce A. Wolfe
