August 1998 Presidents Message

I would like to start off by thanking Becky Wisneski, Pam Wolfe, and Lisa Adams for their years of service to the Keysyone Chapter. They did a great job and we all appreciate the time and effort they spent keeping our chapter going. I would also like to thank the new officers for volunteering their time to the Keystone Chapter. Be sure to thank these people when you see them. It's volunteers like these people that keep our club going.

Our next meet is at Coopersburg on Sunday August 16th. Our chapter has won \$\$money\$\$ at this meet in the past for the most cars there from a car club. Please come out and check out all the nice cars and the parts in the flea market.

Our biggest meet for the year and the one we spend a lot of time preparing for is the Regional Meet in Reading on August 28th and 29th. We now have 142 members in the Keystone Chapter. It would be great if half of our members came to this meet. I'm sure that would break all previous records. The location is very close to the heart of our chapter. If you have never been to a regional meet, this is the year for you to attend.

Steve Springer, our FCA President, and his wife Carol will be attending our meet. Steve will be our guest speaker at the awards banquet on Saturday evening. Make sure you get to talk to Steve and Carol. They are great folks and are working hard to keep our National organization going.

If you have been to a Keystone Regional please ignore the next paragraph.

Yes I,m Talking to you. You have never taken that Falcon of yours to a Regional meet. Why not? Are the bumpers rusty? Is the engine compartment despicable? Do you get a brush burn when you happen to touch the supposedly painted areas? Have we got a class for you.

DIAMOND IN THE ROUGH !! The members vote for a car in this class that is in the worse shape and would like to see it restored in the future. So come out and enjoy the fun. Hope to see you there.

Your President, Bruce A. Wolfe

If you have not paid your Keystone dues , Send your \$5.00 to the Keystone Treasurer!

A BIG THANKS

I would like to thank everyone who came to our Tenth Anniversary celebration. Without you, this event would not have been a success. I hope everyone had a good time !

I would also like to thank my committee for all their hard work and their ideas. The committee members were: Marin Ennis, Frank & Ginny Servas, Ed & Nancy Snyder and Bill Wisser.

A thank you also to Bruce & Pam Wolfe, Jeff Wied And Renae, Chris + Gerry Scioscia, Brenda Hoover, The Gable Family and to everyone else who helped us that day; and Bob & Lisa Vaughn for the Ford watch door prize they donated to the club.

Thanks, Linda Wisser

A FANTASTIC SHOW **The National Convention In Colorado**

I would like to report the members of keystone chapter who went to the national convention. Gordan and Mimi Hartman of Butler, Pa were the only Keystone members at the National that brought a car. They trailored their white 1960 2DR Sedan all the way to Colorado. Other Keystone members that attended were: Ed & Freda Hairston, Richard & Paula Hostetter, Jim & Donna Larkin, Chet & Becky Wisneski, and Bruce & Pam Wolfe. Look for a report in the up coming FCA Newsletters on some changes in our club that were voted on and adopted at the National Club meeting.

ANNOUNCEMENTS

There will not be a Regional meet next year. Make plans now to attend the National meet next year in North Carolina. The theme at next years National meet will be "RACING".

HELP! We still need some help at the upcoming Regional. We still need a Banquet Chairperson and someone to organize the goodie table. And most important is night watch ! Please Volunteer.

announcements con't

If you come to a meet without your car, please let the secretary know you are there so you can be listed in the newsletter.

NETWORK

We have a volunteer ! At the Macungie Meet, the Keystone chapter voted on a set-up for the network. Don Haring volunteered to be chapter Internet Coordinator. the estimated amount of \$200 dollars was excepted. There are so many good things this could lead too. We could put the up coming events, cars for sale, club chat, club functions, and so on.....etc. I think this will be neat!
