EVERYONE DRIVES
A USED CAR

From the President

Dust off your Falcon for the new season!

Here we are starting the 21st year of the FCA and the 12th year of the Keystone Chapter.

The first Falcon made is over 40 yrs old. We need to take care good care of these precious old cars. That's why we have the Falcon Club. It's a great way to learn the ins and outs about restoring your car. We need to spread the word about our club to all

Falcon owners. Make sure you have some FCA and Keystone

applications in the glove box of all your cars. You can also put one of the "Did You Know There's a Falcon Club" cards under their windshield wiper.

We have one Falcon meet scheduled for almost every remaining month this year. I am working on a meet for July. More

detailed information will be available at the annual dinner and in upcoming newsletters about our meets for the year. Make sure you mark the dates of our Keystone meets on your family calendar. We need you and your Falcon at some meets this year. Send information to our Chapter editor if there is a car show in your area that you want the rest of the chapter to attend.

We need you and your Falcon at some meets this year.

I hope to see many of you at the Annual dinner on April 15th, and I hope to see you

and your Falcon at our first car meet this year in Ottsville. Make sure your year Falcon is represented. There will be some nasty notes in the newsletter if your Falcon year is not represented!

Your Pres, Bruce

That Which Doesn't Kill Me ...

Boy, what a winter I've had! I don't like to make excuses, but you'll notice that this newsletter is smaller than usual, partly because the year is just beginning, and we have a LOT more planned for the next issue. But it's also partly because a neighbor swung a baseball bat at my head. Thankfully, it missed.

Because of this unfortunate event, I finally decided to move. You would have thought that the broken windshield and rear window on my van would have been hint enough to pack it up, but I don't give up easily.

These incidents pointed out to me that some people are just very angry. I can't help

but think that if people like this had a fun hobby and friends to share it with, they'd be much happier.

I'm really excited about this year. We have a full line up of events and it seems this will be one incredibly busy summer. I plan on seeing you at some of the shows this year. I'll be the one with the big, silly grin on my face, enjoying the weather, the cars, and the good people - knowing that a car show is the best neighborhood of all.

Your Editor, Don

1961 FALCON TUDOR SEDAN

1961 Falcon 2-dr., 6-cyl. Stored 16 years. Mint interior, all chrome mint, runs excellent, great project car, ORIGINAL owner. \$3,500. Call 516-589-2314, ask for Bob. Car is located in Long Island, New York.

1963 FALCON WINDOW VAN

1963 Falcon window van 6-cyl/3-sp trans. Motor runs OK but needs a rear main oil seal. Body is solid, has mag wheels with a five lug bolt pattern front & back. Rebuild master cylinder & new front brake lines. This would be a good one to restore or with a little work be a daily driver. Asking \$1200/OBO Richard Hostetter, 118 Schoolhouse Rd, PO Box 353, Campbeltown, PA 17010, Phone 717-838-1091.

Dad, can I
borrow the
Falcon?

HAHA!
Not in this
lifetime,
Sparky!

Editor's Note:

Traditionally, everyone shows up in their "other" cars. Let other restaurant patrons know there's something special going on the night we're there and drive your Falcon if you can. This is not a car show, but it's always fun to see Falcons in the parking lot.

Important! Please RSVP, ASAP!

Send your Dinner Reservations and MONEY to:
Virginia Servas, Keystone Chapter Treasurer,
PO Box 10, Center Valley, PA 18034

Keystone Chapter Annual Family Dinner, Saturday April 15, 2000
