What Fun We Had!!

We had a beautiful weekend for a cruise to Jim Thorpe, PA. We started out near Allentown. Breakfast was at Chris's Diner. Then the '66 and up Falcons wound their way through the Pennsylvania country side to Jim Thorpe. Don't know where those '60 to 65' Falcons were. We checked out the old railroad station and took a 40 minute ride on the train. Next was the tour of the Asa Packer Mansion. What a great tour. Asa Packer was the founder of Lehigh University. Asa was a very wealthy man. Next the group checked out the shops on the Main streets of town. We then cruised to the Jim Thorpe Memorial and finished off the evening eating dinner at an Italian restaurant and going to a movie. Sunday we cruised to Leiby's restaurant for breakfast. There is more to Jim Thorpe. Look for another cruise sometime in the future.

WHAT A SUPER DAY FOR A FALCON MEET!!!! 22 Falcons showed up for the L.B. Smith meet in Lemoyne, PA. Homer Hetrick and his staff rolled out the red carpet for the Falcon Club. Hot dogs, sausages, chips, pretzels, sodas and coffee were provided for lunch. The radio station, WHP, was advertising the meet all week and was there on Sat. for a live broadcast.

This was the first meet at L.B. Smith Ford for the Keystone Chapter. Several of our friends from the Mason Dixon Chapter drove in from Maryland and Virginia to help boost the attendance and give the public some more great Falcons to check out.

The meet was a great success and Homer asked us to come back again. THANKS to Andy Brown for organizing this meet.

Also, THANKS to Homer Hetrick for the \$100.00 donation to the Keystone Chapter. All that hospitality and a donation to the club.

MY FINAL PRESIDENTS' MESSAGE

This is my last message as President of the Keystone Chapter. I would like to thank the dedicated members and officers that served with me in the Keystone Chapter. I feel we have a lot of hard working people in our club that have dedicated a lot of their time to make the Keystone Chapter what it is today. In 2003 we will be celebrating our 15th anniversary as an FCA Chapter. We will be holding our 11th Regional Meet next year. These are milestones to be proud of.

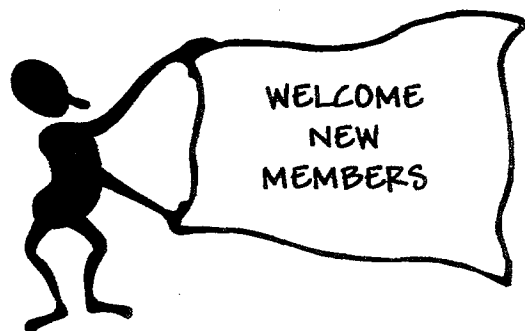

It's hard for me to put into words what this club means to me. I think it is great that we can come together and learn many things from each other about our favorite car. That's what this club is all about. It says it all on the front of our newsletter. "We are dedicated to preserving the Falcon Automobile". As long as we keep focused on that theme, our chapter will be here to support our members for a long time. What I like most about our club is that you don't have to have a perfect car to feel welcome. We like seeing them all, no matter what shape they are in. I like how everyone checks out a "NEW" (not seen at Keystone meet) Falcon and make the owners feel welcome.

I have many friends in the Falcon Club. It's funny sometimes when I think that I would not know most of you if I would have not owned a Falcon. In 1970 I almost bought a 1968 Mercury Montego instead of my 1967 Falcon. If you think it's hard finding parts for your '66 and up Falcons, just think what it would be like looking for Montego parts.

There are also many members that are just a name on the Keystone Roster. They have been members for many years but that's all, just a name. They have not made it to a Keystone Meet. I hope, this coming year, those who have never attended a Keystone meet make an effort to attend one. Our 11th Regional Meet on September 6 & 7 in Bethel, PA will be a good one to attend. Jeff Wied and Andy have been working on the plans for this event. I hope you can come and meet the Keystone gang.

That's about all I have to say. I hope you give Don Snyder the help and respect you have given me. If you do, we will be celebrating many more years of the Keystone Chapter together.

Yer, X Prez, Bruce

Tom & Christina Deen - 1963 Sprint HT from Rheems, PA

Charlie & Sylvia Clay - 1960 2 DR Sedan from Richland, PA

Both of these cars are modified to make them go faster than the average stock Falcon. We hope to see more of them and their Falcons at future meets.
