## President message

There is no better way to end the show season than a trip to LB SMITH Ford in Lemoyne. We were treated like no where else. Food, music, friendship, car talk, beautiful weather. Every kind of ford from a super restored pickup a pinto, fairlanes, galaxies, mustangs and lots of Falcons. Baseball caps and hot dogs for all. Homer Hetrick is the host of hosts...

Paul Seitz made the trip it was great to see he recovered from his injury. It is always good to see Ed Snyder. Knowing that Ed suffers chronic back pain it was good to see he and his wife. Many falcon friends were at the get together. The highlight of the day was when I heard Ira Kern behind me, it was just great to see Ira and his wife.

The 2005 Season of shows was the season of shows. Sometimes I wonder what the reason is for the season, the car show season that is.

For some it is to show the beautiful workman ship on their cars. The hours and hours of dedication and labor, an example, the Frank and Ginny Servas squire wagon. What a beautiful car. Congratulations to all who took part in bringing that squire wagon back to better than new condition.

For others it is the get together with fellow Falconers reason, spending hours talking about modifications, what will work ,what will not work. My thoughts return to the Mason Dixon Regional when the best place to find Roy Kolb and others was with their heads under the hood of Roy's car. 100 plus degrees and it was more important discussing the what's and what's not of the engine than seeking comfort in the air conditioning.

Maybe it is the challenge to do what has not yet been done with a 40 year old car, travel from Maryland/Virginia to California. What a neat thing to see the Falcons with Maryland and Virginia registration plates parked among the California cars. I say job well done to all who made the trip.

The reason may be old and new friends, I know It's always good to see National President Springer & Vice President Beason along with their wives. The Carolinas and Mason Dixon bunch. Carl & Naomi, James, Ray, Joe Tatti and the people from the north, our members from the Keystone Chapter. All the people who make up The Falcon Club of America.

Your reason for the season may be as simple as sitting in a parking lot all hours of night with a group of people who just love Falcons in California, Tennessee, New England, Pennsylvania, Maryland, North Carolina, and many other places.

What ever your reason for the season be sure that we will be back in 2006 to do it all over again, from Pennsylvania to Indiana to Niagra Falls to the Carolinas and many places in between.

Have an extra special holiday season for those who are ill we pray you get well. My wife Connie and I look forward to seeing all of you somewhere in 2006. Keep working on those FALCONS.

YOUR PRESIDENT DON SNYDER

## Coopersburg show August 21

Our chapter received a \$100 first place award for the most cars pre-registered (7). Also, each person in a club with 5 or more pre-registered cars received \$1 refund on the pre-registration fee which was enclosed in the packet. Remember the benefits of pre-registration for the 2006 show!

An unusual Falcon appeared at the show. An Australian Falcon (1972 351 XAGT hardtop) with right hand drive. The car was imported into this country by a person in Texas. Displayed on the car was a "kangaroo crossing" sign. This car had been damaged by a collision with a kangaroo in the past and is now restored. So kangaroos in Australia cause the same problems that deer cause in our area.
