Hey everyone,

Well, we are on the back half of the show season. Hope you have been able to proudly display your Falcon at a show or two this year. Congratulations to the three winners at the Tennessee FCA Nationals; Paul, Mark and Bruce. Someday Amy and I will get to a national. It was nice to be assigned some shade at Das Awkscht Fescht this year. All officers accepted continuing doing what they do. It is really not that hard. You should give it a try.

Our Regional is getting closer all the time. Preparations are about complete. Thank you, to all the folks that have stepped up and are "getting er done". I have a challenge for everyone. This year, let's have more Keystone Falcons at our Regional than other FCA Chapter Falcons. At the past few Regionals, other chapters have outnumbered the KCFA Falcons. If you can't make the full weekend, stop by Saturday with your Falcon for the festivities. I know I am looking forward to meeting Tweet Revenge up close. Have you played Crokinole? Bring your board. As they say, "Fun for all ages." Hit the event logo on our home page for more about our Regional.

L.B. Smith is just beyond our Regional. Email me if you are available to help direct parking. L.B. Smith is a major contributor to our Chapter. Be sure to check them out if you are in the market for a daily driver.

How do you folks feel about next year hosting a one day show at the Morgantown Classic Auto Mall? Drop me a line with your thoughts.

Thank you for supporting the Keystone Chapter of the Ford Falcon Club of America.

## IT WAS BEAUTIFUL DAY IN MACUNGIE, PA

In the early sixties the Ford Falcon outsold the Chevy-Corvair. You couldn't tell it by the attendance at Macungie. The Corvairs outnumbered the Falcons by at least 20. The participation gift for Sunday was a coffee travel mug. We were lucky

this year to have a nice tree for some extra shade. The day was hot but we had a nice breeze going most of the day. The KCFCA Officers remain the same for 2023. The 2023 date is August 6th.
