John Howard

All right, it is time to get psyched about the new full year of shows and events to come. I was stuck at home for half of last year. Hope to make up for it this year. First on the list is our Cabin Fever get together March 26<sup>th</sup> near Reading, PA.

Send in shows you expect to attend, Falcon or not. We will add them to the list on our site's Event menu. I would also like to continue the practice of publicizing Keystone members attendance at all shows. Nice to see we are getting out there and spreading the Falcon word. Also helps quantify benefits to sponsors.

Would be nice if the Aviary page did not have so many blanks. Send in a recent photo of yourself and another of your Falcon.

As you should be aware, Keystone is hosting a regional in September. If you would like to volunteer some of your time to make it a better event, just shoot Bruce or myself an email. The more we spread the load, the more enjoyable the event is for everyone.

Hey, did you notice the three-page spread of our 2021 L.B. Smith show in the February The National Falcon News? Hope you can make it to the 2022 show.

The web site is humming along. Am considering including Google Ads in the right panel. Would be nice for the site to pay for itself. Any ideas how to improve the site are most welcome.

Here is something I want to try out, Casper's Corner. It will be a brief blog of the life and times of Casper, a 1964 Ranchero. Here goes.

When I was ten years old, I found myself in the garage of a friendly flipper. My first ten years were spent as a farm mule and looked it. I was in need of lots of rejuvenation. To this day I have the dents in my bed from transporting beyond my load limit. This flipper fella was early in my spa treatment. You know, the easy stuff; hood pins, MSD box, move the 3-speed to the floor, 4-way flashers, patch a few floor holes, extended spring shackles, mount two 100 lb. cinder blocks to the bed over the wheels. He was about to get serious into engine, body and paint when along came this guy who seemed to like my body style. The guy accepted the flipper's reasonable offer and I was off to a new home. Jim

## GO GREEN ..... RECYCLE ..... REPURPOSE

### Not Really a Tech Tip (Just something to Pass On)

You have been to many car shows. You have looked at lots of F A L C O N s.

You have met lots of people. You have shopped for lots of parts.

You almost always get a pen in every goody bag.

You get a windshield card at every show.

Use these 2 items for a history record of the shows you have attended.

On the back of your windshield card, write the date and place of the show.

Write down the people you met. Write down the weather for that meet.

Write down the people that attended the meet in your family.

Write down parts vendors. Write down how many F A L C O N s at that meet.

Write down if you got an award.

Write down that "Tech Tip" you heard from another car owner.

Be sure to get email addresses and phone numbers, put them in your phone.

Now..... Where do you keep all these windshield cards?

Keep them under the rear floor mat or in the trunk under the trunk mat.

After a while it will be fun to get them out at a F A L C O N meet and reminisce.

A Big **THANKS** goes out to **LB Smith F O R D** for their

**\$250.00** donation to the KCFCA.

# KCFCA 20TH REGIONAL—BETHEL, PA

## SEPTEMBER 23 & 24, 2022

### **Don't miss the BIG EVENT for the Keystone Chapter.**

After canceling the Regional in 2020 we are excited to get back together with our Keystone Chapter friends. As

Jim said in the President's Message, The more we spread the load, the more enjoyable the event is for everyone. Contact Jim if you would like to volunteer. Thank you to those that have already stepped up to help.

## KCFCA MEMBER'S RIDES

From **John Rossi** : A few years ago I was invited to bring my Falcon out to the Concours d'elegance in Plymouth, MI. Here are a few pictures from that event.

Here are two pictures from last year. The first one is **Paul and Chrissy Leonetti** in the fourth of July parade and the second is **Paul and son Andrew** at a local car show with his Ranchero.

Here is a picture of new members **Jason and Alisa Sauder's** '62 F U T U R A.

KCFCA WEBSITE

## KCFCA MEMBER'S RIDES NOW & IN THE PAST

**Jerry Kratz** sent a picture of his '64 Sedan Delivery from Dragweek that was in "Sick the Mag" magazine which is a magazine dedicated to the Drag & Drive community. The one picture was taken from the magazine for a write up he did for the magazine about his experiences during Dragweek the last 4 years.

**Jim & Amy Ogram** sent two pictures of their daughter sitting in their '64 Ranchero 30 years apart. You probably already guessed,  
**Jim is the one chopping wood on page one.**

**Lora Varvel, Bruce & Pam Wolfe's daughter**, enjoyed an afternoon cruising in the Springtime Yellow '63 convertible with some friends out to find some ice cream.

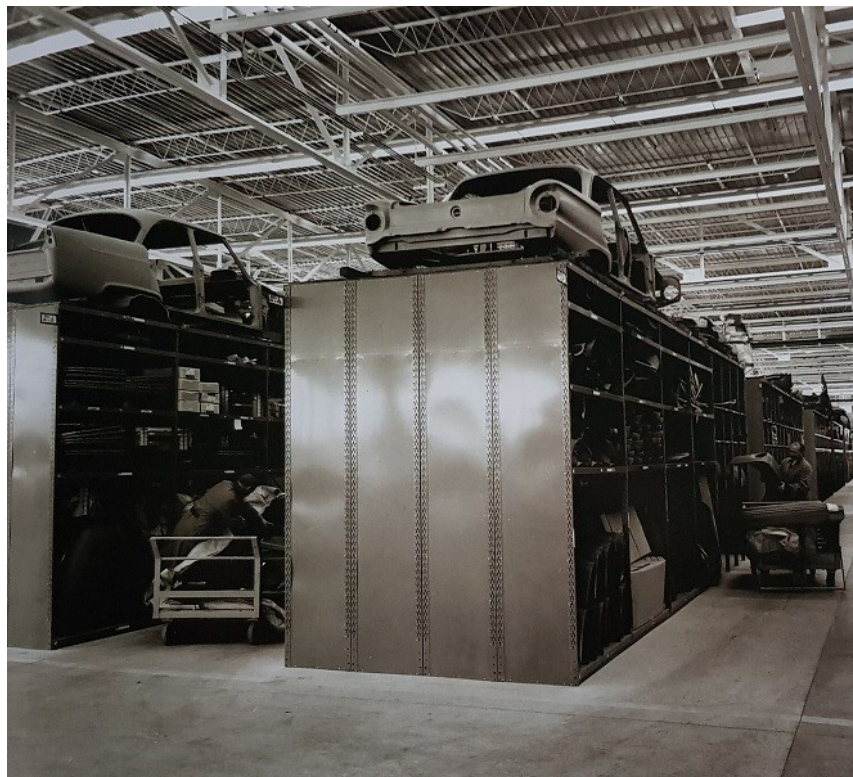

## KCFCA MEMBER'S RIDES NOW & IN THE PAST

From new KCFCA member **Steve Hoke**, here are some pictures of my 63 convertible, **Vertie is her name**. **Donna** and I are retired and reside in Lower Swatara Township between Harrisburg and Hershey. We are enjoying life as best we can like everyone else during the pandemic. Hope to meet all of you when possible.

From **Chris Shead in Australia**: I thought that you would like this pic. Everyone should have a spare car body on the shelf, shouldn't one? Taken at the Ford parts warehouse **1961 Melbourne**.

## NEW SOUTH WHALES ALL FORD FAMILY DISPLAY DAY

From **Chris Shead**: In 2021, the local car movement in New South Wales (Australia) was constrained, like most hobbies, with lock downs and cancelled events. Only one large show was held in the Greater Sydney Region last year, and this was the All Ford Family Display Day held at the Sydney Dragway on November 14 last. This show caters for all models of Ford cars and single axle trucks. English Fords, US Fords and Australian Ford cars attend, from a few Model T's through to the last Australian Falcons and Mustangs. In recent years the later performance sedans, hatches and Mustangs are the most numerous attendees, but T-Birds, Fairlanes, early Falcons, early Mustangs, Galaxies, F100's, English Prefects, Zephyrs, Capris and the like are also in good numbers. In usual years attendance is about 1,400 vehicles, but this year numbers were down to about 1,000.
