The daffodils are popping up and the lawn is getting green again. Soon we will be out there mowing and planting flowers to brighten up the yard.

Our 1963 convertible is Springtime Yellow (not a stock yellow name for '63). We soon will be getting it out on the road for a cruise on a warm spring day. I hope you are doing the same with your F A L C O N. Check out the meet schedule and make some plans to attend some of these car shows.

We have several members going to the FCA National Meet in Pittsburgh. This is your chance to attend a National Meet here in Pennsylvania. Where else can you see hundreds of F A L C O N s in one place. I hope you can be there this year.
