Hello everyone,

I hope you have been attending your local car shows. If you have a favorite show in your area please share the information. Send it to me ASAP. We will get the info in the newsletter and maybe you will have a few more Falcons attending.

As you can see by the information to left on this page, I am now the KCFCA President. The other positions have remained the same. I would like to thank Jim Ogram for his service as President. He has also done an awesome job on building our website and is now our website administrator. We also need to thank Ginny & Jerry for their continued service to our chapter.

WOW, Did you see that?

The 2025 FCA National Meet is in Pittsburgh, PA on July 10th to 12th. If you have never been to an FCA National, next year is the year you have to attend. These meets are amazing. The 2024 SEPTEMBER/OCTOBER FCA National Falcon News or the FCA website has all the information you need to register. If you are reserving rooms at the hotel there is a correction on the Double Tree by Hilton Hotel phone number. The online info is correct. The local phone number for the hotel is 412-922-8400. This information has been corrected on the FCA website.

LB SMITH FORD—SAT, OCT 12TH

A message from Andy Brown: **L.B. Smith Ford, 100 Market Street, Lemoyne, PA 17043.** This started out as a Falcon Club event in 2001 and became a classic all Ford, Lincoln, and Mercury show in 2005. This is a "No Cost" event. No trophies. Just one big car show. In previous years we have had over a hundred vehicles. The local fire company grills hot dogs and sausages. Drinks also available. They just ask for a donation. The local band Pentagon performs. Everyone has a great time. **Questions?**

1963 FALCON @ THE AACA MUSEUM

Be sure to check out Steve Hoke's Rangoon Red 1963 Futura Convertible at the AACA Museum near Hershey, PA. The museum is open 9 to 5 every day of the week. The address is 161 Museum Drive, Hershey, PA 17033. You can also check out the website at aacamuseum.org. Steve's only regret is they are missing some "Top Down" rides.

OHIO 2024 FCA Regional Meet

Several Keystone Chapter Members had a good time at the Ohio Regional on SEP 6th & 7th. The weather was almost perfect with a little wind on Saturday. Activities included a caravan to the Air Force Museum, an Ice Cream Social and a GREAT demonstration on Falcons, Hawks and Owls from Midwest Falconry. They even let the members take a picture of a live Falcon with their Ford Falcon. The KCFCA members included Dan & Rhonda Haines and Bruce & Pam Wolfe.

Many more pictures to check out on the Keystone Chapter website, **FordFalcon.org** and our Facebook page, **Keystone Chapter, Ford Falcon Club**.

A Big Thanks goes out to Jim Ogram for behind the scenes work on the newsletter. Jim prints and mails all the paper newsletters going out to members with no email.
